WEATHER—With the wind and the rain we had this week and me without a hat, I'd be just like that girl in the song—if I had more hair. . . . When the clouds hung low over the hills to the west Tuesday, a soldier, looking up, remarked that it was the first time he had seen fog with rocks in it. . . . Two women, obviously tourists, walking in the sunshine (Monday) and one of them threw back her shoulders and said: "My, this desert air is invigorating!" Said her companion, drawing her coat more closely about her: "Yeah, but it ain't summer." P.S. After the above, I'd better stay away from the Chamber of Commerce for a while.

CIGARETS—Now would be the proper time to liquidate those nervous smokers who light a cigaret, take two or three puffs, then crush it out. A Villager with drawn and haggard face told me he had just seen a horrible sight. An ash tray full of Vs—cigarettes with only a half inch smoked off the end and bent double, totally ruined for future use. . . . Why should a cigaret taste bad when lighted a second time? Cigar smokers do it. It's just a foolish notion. I like those ash trays with holes in them to snuff out cigarettes. Then they retain their pristine straightness for another light. . . .

ODDS AND ENDS—Cause of the current shortage is said to be that more people are smoking more. . . . What a scramble in point trading between smokers and non-smokers there'll be if cigarettes are rationed as threatened. Like the days of coffee rationing when tea drinkers sometimes even managed to barter a few coffee coupons for a shoe stamp. . . . Back to the weather for just a moment. E. Q. Sullivan, here Tuesday, said that the highway district of which he is the head, was organized just 21 years ago and the staff's first picnic was held in Palm Springs a year later. It rained all day that day—and that's the last time he experienced rain in the Village until this week. Not bad.

THE VILLAGE—Cecil Isenagel had Chamber of Commerce Kofeldt on the ropes this week. Meeting the C. of C. secretary on the Drive, he asked him how come the "Pictorial California," L. A. county Chamber magazine, had nothing about Palm Springs. Kofeldt stammered and said maybe it was because it was a Los Angeles county publication and then left no stone unturned until he found a copy of the magazine. All they had about the Village was the inside front cover and the entire back cover. Kofeldt recovered. . . . Earl Gray of the Royal Palms has a complete colored movie of the recent Western Day parade and those who have seen it are loud in their praise.

THIS AND THAT—Some statistician in Washington has figured out that the average woman spends 21 hours a week in the kitchen. That's an hour per meal unless you take her out once in a while. . . . It's time to repeat that suggestion to fountain meal waitresses. When a customer orders coffee, slide the sugar to him. His neighbors may be too engrossed in their own plates to hear him. . . . Same is true for the salt and pepper. . . . Great Falls, Montana, claims a record. A woman there was divorced from her mate at 3 p. m. and at 4 p. m., married another man with her ex-hubby of one hour acting as best man. Probably thought "You'll need it" when wishing his successor the best of luck.

MUSIC—All's well with the world. The Hit Parade was back again last weekend. . . . Am glad that the election is over. Now I can hear music again instead of some ranting politician. . . . "The Trolley Song" was still in No. 3 spot and that song about the sloppy, knock-kneed girl with a hole in her stocking had replaced "Till Walk Alone" in the top spot. . . . Peace reigns in our living room. Mrs. G. is touting "The Day After Tomorrow" and I like "What Difference a Day Made." Since neither is even on the Hit Parade, all is quiet on the home front. . . . With the ban on record-making lifted, some of the old-timers now so popular may be replaced by new items. "Together" which is way up is 20 years old. "Always," also on the Hit Parade, is another one which was popular even before FDR was president. . . . In Vancouver, B. C., they take their music seriously. The school board appointed a commission to see if Frank Sinatra's voice had a demoralizing effect on the students.

State to Cooperate With City on Highway Plans

Field Club Gets Majority, But Loses

War Chest Trailing Far From Quota

City Facing First Failure to Achieve Goal In A Campaign

Palm Springs may break a record this month—but it will not be anything to crow over.

For the first time in its history, it is threatening to fail to achieve its goal in a campaign.

Chairman Will Dean of the War Chest committee revealed yesterday that the current War Chest campaign is still \$8,000 short of its goal.

SMALL GIFTS NEEDED

"All of the usual larger givers have been contacted and have responded in their usual generous way," he said. "But we are still barely two-thirds of the way to our quota. If we are to make it, we must have the aid of the smaller givers, and to succeed, everyone in the Village must give."

Along this line, Chairman Dean urged Villagers who had not been approached by canvassers to send or mail in their contributions. In this way, too, they will relieve an acute shortage in workers.

NOT ALL AT ONCE

Gifts to the War Chest campaign do not need to be paid at once, he said. Payments may be spread out over the entire year. In fact, payments made in this manner are welcome as payments from the Chest are made throughout the year.

Chairman Dean also said that probably there were many here now who were not here on Nov. 9. These have not been solicited and Mr. Dean urged them to bring or mail in their contributions.

"We need the help of everyone in the Village," he said. "Please don't let Palm Springs down. All contributions, no matter what size, are solicited."

A gift Wednesday that pleased all of the workers at Chest headquarters more than any other was made by a youth who simply gave his name as Jerry and his address as Ramon Trailer Park.

He counted out 16 pennies to help the cause.

"That's one of our largest donations," Mr. Dean said.

Ray Green Brings Bit of Old West

B. Walter (Ray) Green, 66, widely known local cowboy, expert with the rope and more at home in the saddle than anywhere else, gave winter residents, tourists and even Villagers a bit of the old west Monday, when he appeared in town and entered several local establishments without the formality of dismounting from his horse.

At the Chi Chi he took his "shot" in stride while astride.

He also poked his horses head into The Dunes and the Cubana and into some of the stores. As a final fling, he rode around trucks at the fire station.

He left \$25 with Judge Guy Pinney. It seems there's a law about horseback riding on sidewalks.

Cowboy Green probably figures that if pedestrians can walk aimlessly in the streets, he ought to be able to ride on the sidewalks.

Monterey Police Chief Guest Here

Chief of Police Fred H. Moore of Monterey, and Mrs. Moore, arrived in Palm Springs last weekend. Mrs. Moore will remain for a month's vacation, stopping at the Miramonte.

GETAWAY—Palm Springs got started on its Sixth War Loan drive when a group of representative citizens met at the Bank of America Tuesday to map plans for the drive toward the \$354,000 goal. Seated, left to right, are Mayor E. E. Theriault, Katherine Finchy, Lee Davis, Chairman Tom Holland who called the meeting, and R. M. Gorham. Standing, left to right, Henry Greeley, Phil Delano, Dr. E. E. Oertel, Gordon Feekings, George Strebe, Harold Hicks, Fred Ingram, Capt. Maurice Conn, Francis F. Crocker, William Dean, Capt. John D. Blauvelt.

6th War Loan Campaign Set in Motion Here

The Sixth War Loan drive was set in motion in Palm Springs Tuesday when committeemen and representative citizens met at the Bank of America at 4:30 p. m. at the call of Chairman Tom Holland. The Village quota is \$354,000.

Bulk of the drive was placed in the hands of the coming generation, the school youngsters and young men and women.

Henry Greeley, appointed by Dr. E. E. Oertel, principal, to supervise the drive staged by young men and women of the high school, asked for, and was allotted, a \$300,000 quota. Miss Katherine Finchy, superintendent of the Desert School district, in charge of the bond drive conducted by youngsters of the Frances S. Stevens, Nellie N. Coffman, Cahuilla and Cathedral City schools, was assigned a \$50,000 quota. She gasped as first, then gamely accepted.

He left Mr. Guthrie for the last and asked the San Bernardino, publisher of the San Bernardino Sun, to address the group. Mr. Guthrie discussed postwar highway plans and told of the proposed Freeway which would serve Palm Springs. It would follow the Ramona route to Pomona thence branch, one leg coming to the Village via Colton and Redlands and the other via Riverside and the Jackrabbit trail.

MUCH TO BE BUILT

He said that from all sources there is now \$100,000,000 available for immediate postwar highway work but that to complete the program, \$500,000,000 will be needed. So, he said, it will have to be built piece by piece as funds become available.

He assured the Village that interests of cities were kept in mind by designers of the highways and that Palm Springs need not worry because its peculiar economic situation differed from other southland areas.

CITY MANAGER HEARD

City Manager Ray Sorum was then asked to present the city's viewpoint. He explained the action of a meeting of city council, city planning board, chamber of commerce and interested citizens a week ago when it was decided to inform the state commission that Palm Springs opposed a four lane highway down Palm Canyon drive and favored a free-way route that would not restrict the

State to Heed Village's Viewpoint on Route of Proposed New Freeway

The state highway commission has no intention of slamming a four-lane major highway through the heart of Palm Springs or bisecting it with a limited access freeway, James Guthrie, of San Bernardino, member of the commission, told Villagers assembled at the Desert Inn Tuesday noon when the Chamber of Commerce entertained visiting state highway officials at a luncheon.

The visitors, on a tour to study the southland's postwar needs were on their way from a meeting in San Bernardino to one in El Centro when they stopped over here for the luncheon.

NOTABLE GUESTS HERE

Mayor Eugene E. Theriault welcomed the visiting state highway and state chamber of commerce officials to the city and turned the meeting over to Assemblyman-Elect Phil Boyd who introduced the guests who numbered C. H. Purcell, director of public works, members of the state highway commission, engineers and planners, county chamber of commerce and postwar committee members, supervisors, city officials and visitors.

He left Mr. Guthrie for the last and asked the San Bernardino, publisher of the San Bernardino Sun, to address the group. Mr. Guthrie discussed postwar highway plans and told of the proposed Freeway which would serve Palm Springs. It would follow the Ramona route to Pomona thence branch, one leg coming to the Village via Colton and Redlands and the other via Riverside and the Jackrabbit trail.

15 Villagers to Ride in Big L.A. Cavalcade

Palm Springs will be represented in the Cavalcade of the West, gigantic spectacle which will open the Sixth War Loan drive in Los Angeles and southern California by 15 members of the Los Compadres Club, President Elmo Purnell said today.

Five thousand horsemen are expected to participate, Dick Dickson, treasury department coordinator who conceived the idea, told Walter Kofeldt, an old friend, over long distance Thursday.

The Los Compadres riders will carry a big banner, "Los Compadres Club of Palm Springs" and each rider will carry a placard: "Buy Bonds Now for Your Postwar Vacation in Palm Springs."

The parade will form at the Plaza and march by the reviewing stand at the city hall and disband at Adams street. All traffic will be halted in downtown Los Angeles for the great event.

The parade starts at 11:30 a. m.

P. O. Doing Business at Old Stand

The postoffice is doing business at the same old stand.

And until mechanics and workmen, expert in the installation of the postoffice equipment, get here, it will continue to do business at the old stand.

Postmaster R. M. Gorham said this week that he couldn't say for sure when the postoffice would move to its new location in the Plaza.

"It's the old problem of manpower," he said. "As soon as the installation staff can get here, we'll move. When that will be I don't know. I was informed positively that it would be last weekend. As you know, it wasn't. All I can say is that if you come down here some day and we aren't here, we'll be around the corner in the Plaza."

"But when we do get moved—we'll have a bigger and better postoffice to serve the Village. That's certain."

George Everts came to Palm Springs Wednesday from the Lockheed Air terminal in Los Angeles to succeed Bud Wilson as local manager for the American Air Lines. Mr. Wilson was transferred to Fort Worth.

Two-Thirds Requirement Beats Issue

Final Decision Clouded As New Question Raised

Palm Springs will not purchase the Field Club property or its recreational facilities. Not right away, at least.

However, the decision may not be final as some doubt has been cast upon the need for a two-thirds majority. Proponents say it was a referendum, not a bond issue or a proposition to vote taxes and therefore needed but a simple majority.

The proposal to acquire the property lost at the polls Tuesday in a special city election when, although gaining a majority, it failed to muster the two-thirds favorable vote which City Attorney Roy W. Colegate had ruled necessary.

109 MAJORITY

The vote was, for purchase of the Field Club, 343; against, 234.

The measure was given a majority of 109. On the basis of the "No" vote recorded, it would have needed 468 to carry, 125 more than it had.

A switch of 41 votes, however, would have carried the proposal. Of the 577 votes cast, it needed 384 votes.

VOTE IS LIGHT

Approximately 31 per cent of the registered vote was represented at the polls, 577 out of 1860, voting. "Unusual" weather was blamed for the light vote.

In Precinct A, which voted at the Builders' Supply company, 289 voters out of 986 eligible, 28 per cent, voted and at the Frances S. Stevens school, 288 out of 874 registered, 32 per cent, voted.

Precinct "B"	167	122

Blood Bank Program Starts Here

Palm Springs citizens who wish to donate to the blood bank and help in the war effort, will now have an opportunity, following action of the local Red Cross branch at its meeting Wednesday.

Chairman Harold West appointed Mrs. Madge Holderman as chairman of the local Red Cross Blood Bank committee and any who wish to help out in this important work are urged to contact her. She can be reached by dialing 2202 and asking for the Health Center.

The mobile blood bank which comes as far east as Riverside will be there next on Nov. 27, a week from next Monday. Appointments for the Bank and transportation to Riverside will be arranged by Mrs. Holderman.

No other appointments to committee chairmanships were made at this meeting and selection of a chairman to succeed Harold West—or his re-election—was also put over until the December meeting.

Tulare Publisher Vacationing Here

Percy M. Whiteside, publisher of the Advance-Register and Tulare Times at Tulare, Calif., was in the Village this week on vacation. He went to Los Angeles today to attend a California Newspaper Publishers' meeting and will return here tomorrow to spend some more time.

CHRISTIAN SCIENCE CHURCHES
The annual Thanksgiving service
will be held Thursday in all
branches of The Mother Church,
The First Church of Christ, Scien-
tist, in Boston. This verse from II
Corinthians will be the Golden
Text: "Thanks be unto God, which
always causeth us to triumph in
Christ, and maketh manifest the
savour of his knowledge by us in
every place."

A Lesson-Sermon selection from
Luke relates that Jesus met "a cer-
tain man, which had devils long
time." After Jesus had cast the
devils out of the man he besought
Jesus "that he might be with him:
but Jesus sent him away, saying,
Return to thine own house, and
show how great things God hath
done unto thee. And he went his
way, and published throughout the
whole city how great things Jesus
had done unto him. And . . . when
Jesus was returned, the people
gladly received him."

Mary Baker Eddy, the author of
"Science and Health with Key to
the Scriptures," writes: "Christian
Science awakens the sinner, re-
claims the infidel, and raises from
the couch of pain the helpless in-
valid."
Testimonies applicable to the oc-
casion will be given by Christian
Scientists in the congregation.

CHRISTIAN SCIENCE CHURCHES
"My soul longeth, yea, even
fainteth for the courts of the Lord:
my heart and my flesh crieth out
for the living God." This declara-
tion of the Psalmist will be the
Golden Text in the Sunday Lesson-
Sermon on "Soul and Body" in all
branches of The Mother Church,
The First Church of Christ, Scien-
tist, in Boston.

According to the book of Daniel,
Shadrach, Meshach and Abed-nego,
who refused to serve the gods set
up by Nebuchadnezzar, "were bound
in their coats, . . . and their other
garments, and were cast into the
midst of the burning fiery furnace.
 . . . Then Nebuchadnezzar . . . rose
up in haste, . . . and said . . . Did
not we cast three men bound into
the midst of the fire? . . . Lo, I see
four men loose, walking in the
midst of the fire, and they have no
hurt; and the form of the fourth
is like the Son of God. . . . Then
Shadrach, Meshach, and Abed-nego,
came forth of the midst of the fire
 . . . and the king's counsellors, . . .
saw these men, upon whose bodies
the fire had no power, nor was an
hair of their head singed, . . . nor
the smell of fire had passed on them."

In "Science and Health with Key
to the Scriptures" Mary Baker Ed-
dy says, "The understanding of his
spiritual individuality makes man
more real, more formidable in
truth, and enables him to conquer
sin, disease, and death."

Episcopal Church Prepares Service Of Thanksgiving

Thanksgiving will mark the
services at St. Paul's in the Desert,
Episcopal church, this coming
Sunday and next Thursday, the
Rev. Robert M. Hogarth, vicar,
said.

"The harvest motive for our
national Thanksgiving will be
emphasized Sunday, Nov. 19, at
all services. God's bounty which
go to make up all our primal
necessities of life is too often neg-
lected these days in America, un-
like our English forefathers, who
thanked God each autumn on
Harvest Home Sunday for these
gifts and all members of the
families returned to be with their
folks in the home and church,"
the vicar said. The morning ser-
mon will be on the topic of
"Seedtime and Harvest."

"On Thursday, November 23,
Thanksgiving Day, the special
services will be held in the church
at 10:00 o'clock. This year the
special thought will be 'Cour-
ageous Thanksgiving' in wartime.
Special music for the Festival at
both services by the augmented
choirs.

Report of Recent C. E. Convention Presented Sunday

Reports of the recent Christian
Endeavor county convention in
Riverside were presented at Sun-
day night's services in Commu-
nity church by Patricia Fowler,
Betty Wright, Mary Gordon
Coutts, Adel Wood, Donella
Knapp, Elanne Purnell, Frances
Nash, Connie Nash, Betty Rust,
Nancy Nye, Mary, Louise Klug,
Dixie Smith, Hazel Veith, Joane

Besides verbal reports of the
convention, the young women
presented three choruses, under
direction of Dixie Smith, which
were much enjoyed by the large
congregation.

Bible Verses For Next Week's World Reading Announced

Dr. J. R. Macartney, pastor of
the Community church, this week
announced the Bible verses to be
read next week in the world-wide
simultaneous Bible reading plan-
ned from Thanksgiving Day to
Christmas.

Sponsored by the American
Bible society and endorsed by
President Roosevelt, sixty million
people are expected to join in the
simultaneous readings, the same
verse being read on a designated
day throughout the world.

Verses selected for next week
are:
Thursday, Nov. 23, Thanksgiv-
ing Day, "Psalm 103."
Friday, Nov. 24, John, 14.
Saturday, Nov. 25, Psalm 23.

Community Church Women Plan Session

Women of the Community
church will meet next Tuesday
afternoon at 2:30 o'clock at the
home of Mrs. N. U. Carpenter.
The meeting was postponed
from last Tuesday, special city
election day.

Sermon Topics For Sunday Announced

C. H. Austin, pastor of the Full
Gospel church on South Indian
avenue, announced sermon topics
for next Sunday as follows:
11 a. m.—"The Temptations of
Jesus and How They Apply to Us
Today."
7:30 p. m.—"At the Crossroads
of Life."

Episcopal Guild To Meet Tuesday

Members of St. Paul's in the
Desert, Episcopal, Guild, will
meet next Tuesday at 10 a. m. at
the home of Mrs. John S. Hob-
son, 429 Camino del Sur, in regu-
lar session.
Helen A. McCallum will be
hostess.
As the time for the annual
Christmas bazaar is drawing near,
a full attendance is requested, to
discuss plans and details.

Jewish Services To Be Held Tonight

All servicemen and civilians
are invited to attend.

MORE ABOUT . . . Thanksgiving . . .

vice with special music and ser-
mon at 10 a. m., Thursday. There
will also be a special Thanksgiv-
ing reading at the Christian
Science church.

STILL COMPLICATED

Congress, on December 26, 1941,
established the fourth Thursday
in each November—usually the
last one—as the official day to
give Thanks. But the complica-
tion of two Thanksgiving days is
continuing this year despite con-
gressional action to end the
Roosevelt plan of an earlier
Thanksgiving started in 1939.
Cause of the confusion is the fact
that November, this year, has five
Thursdays.

Forty states and the District
of Columbia have fixed Nov. 23
for the holiday in line with the
Federal statute, but Florida,
Idaho, Nebraska, Tennessee,
Texas and Virginia plan to ob-
serve Nov. 30. In Arkansas and
Georgia both dates may be rec-
ognized.

PROCLAMATION

The President's proclamation:
"In this year of liberation,
which has seen so many mil-
lions freed from tyrannical rule,
it is fitting that we give thanks,
with special fervor to our Heav-
enly Father for the mercies we
have received individually and
as a nation, and for the bless-
ings He has restored through the
victories of our arms and those
of our allies to His children in
other lands.

"For the preservation of our
way of life from the threat of
destruction; for the unity of
spirit which has kept our nation
strong; for our abiding faith in
freedom; and for the promise of
an enduring peace, we should
lift up our hearts in thanksgiv-
ing."

"For the harvest that has sus-
tained us and, in its fullness
brought succor to other peoples;
for the bounty of our soil, which
has produced the sinews of war
for the protection of our liber-
ties; and for a multitude of pri-
vate blessings, known only in
our hearts, we should give unit-
ed thanks to God.

Urges Scriptures Reading

"To the end that we may bear
more earnest witness to our
gratitude to Almighty God, I
suggest a nationwide reading of
the Holy Scriptures during the
period from Thanksgiving Day to
Christmas. Let every man of
every creed go to his own ver-
sion of the Scriptures for a re-
newed and strengthening con-
tact with those eternal truths
and majestic principles which
have inspired such measure of
true greatness of this nation has
achieved.

"Now, therefore, I, Franklin
D. Roosevelt, President of the
United States of America, in con-
sonance with the joint resolution
of the Congress approved Dec.
26, 1941, do hereby proclaim
Thursday, the 23rd day of No-
vember, 1944, a day of national
thanksgiving; and I call upon the
people of the United States to
observe it by bending every ef-
fort to hasten the day of final
victory and by offering to God
our devout gratitude for His
goodness to us and to our fel-
low men."

Mr. Riley: "We are considering buying a home."

Mr. Carter: "I know just the home for you. Katherine
Pollak in the Foster Real Estate office showed it to me yes-
terday. There are four main bedrooms and three baths.
And you should see the roses and citrus trees! There's
enough fruit to supply several families. Eight vacant lots
and all the furnishings go with the place, too."

Mr. Riley: "Thanks for the suggestion. I'll 'phone Mrs.

Parent-Teachers' Association to Meet Next Monday to Complete Organization And Map Program For First Year's Work

Next regular meeting of the Palm Springs Parent Teacher Association will be held next Monday evening at 8 o'clock in the auditorium of the Frances Stevens School.

The business meeting will be followed by an address by Harold Butterfield, Probation Officer for Riverside County on the subject: "The Youth Problem." Mr. Butterfield has been interested in this, not alone from the probation standpoint, but from the social problems which are presented. It is expected that the business session will be over so that he may begin his talk by 8:30, to be followed by a round-table discussion.

OPEN TO PUBLIC

The meeting will be open to the public, and the Parent-Teachers association invites anyone interested to join the association regardless whether they have children in the schools or not. The qualifications for membership are interest in children and their education.

Three of the five sections have

been formed as follows:

Frances Stevens School: Mrs. William Veith, chairman; Mrs. Emil Wagner, vice-chairman; Mrs. Stanton Griffing, secretary.

Cahuilla School: Mrs. Arthur Bailey, chairman.

Cathedral City School: Mrs. Edith George, chairman.

No sections have been formed yet at the Nellie Coffman Junior High School or at the High School, but there have been many who indicated on the registration blanks that they are interested to organize. There will be further notice of this.

VOTE ON MONDAY

The chairmen of sections automatically become the nominees for vice-president of the Palm Springs Parent-Teachers association and will be voted upon Monday night.

At a meeting of the executive

Interesting Story Of Formation of Desert Area Told

Professor and Mrs. T. D. A. Cockerell of the Desert Museum held the interest of Palm Springs Rotarians and their guests at the noon luncheon Wednesday with an entertaining and enlightening discussion of the desert and the arid southwest.

Mrs. Cockerell showed moving pictures of desert country and of the plants and wild life of the desert. It was an education even to many who have made their home on the desert for years.

Following the pictures, Prof. Cockerell told how the Colorado desert was formed and of the age-long process which made the present environment of Palm Springs. Carl G. Lykken was program chairman and President Dr. Henry S. Reid, presided.

Chief Lyle J. Sanard presented a gratifying report of Boy Scout activities here, saying that the troop, sponsored by Rotarians, was at its highest peak in history. William A. Lippman conducted the group in spirited singing. There were many Rotarians from other clubs present.

committee of the association on Monday night, November 13, 1944, further recommendation was indicated for the association to attempt just one program for the coming year, namely to assist young people to solve their problem of what to do with their leisure time. It is expected that as a result of this that the association will approve the recommendation, thus giving the boys and girls in the community a big brother and sister organization which will cooperate with them in any program they may initiate.

Global Gab, First Strictly GI, Now Town Hall Session

Though it started as a USO activity designed primarily for soldiers, Global Gab gives signs of becoming Palm Springs' Town Meeting of the week. Not only are its groups becoming larger, they are also growing more representative of the Village as a whole. The last meeting, when 'China' was discussed, for instance, attracted a crowd of 39. This is not large by some standards, but it is the largest gathering the forum has had since it started meeting at the Chamber of Commerce last June, and it is certainly a fair showing for a town of this size where most people come, not to get serious, but to have a vacation.

FAIR CROSS SECTION

The group represented a fair cross section of the community. The chairman was Miss Virginia Cole of the Palm Springs Book shop. The subject was introduced by Miss Dorothy Bear, librarian of the Welwood Murray Memorial Library. And the participating audience as well as including servicemen, including representatives of all classes of local residents—those who work here, those who have permanent homes here and those who are just here for a short vacation.

Continuing a trend that has been noticeable now for some time, the civilians outnumbered the soldiers. There were only eleven of the latter (nine enlisted men and two officers), whereas there were 21 civilian women and seven civilian men. Another tendency that is noticeable is that, due to the relative steadiness of the attendance of many members, each meeting is coming to be more like a gathering of the clan. It is coming to be an event where friends get together.

The social aspect of the forum is further increased by the coffee and refreshments that are served at the end of each meeting by Miss Thyra Cohen. They mean that no one goes home when the formal discussion is over. Instead they stand around chatting, thrashing out unresolved questions and telling each other what they thought of the meeting.

CONTROVERSIAL QUESTION

The subject of the meeting this coming Tuesday will be the controversial one of "Socialized Medicine." It will be introduced by Mrs. Rosalie Abrams, whose husband is a sergeant stationed at the Army Air Field. Another feature of the meeting will be the selection of subjects for discussion for the month of November.

Incidentally, with the group's expansion it is now in need of more chairs. At recent meetings the chairs of the Chamber of Commerce have been supplemented by others kindly loaned by the Desert Museum—another indication that the group is becoming a community enterprise.

"I Rise To Remark"

By Congressman John Phillips

The "conductor" of this column has not forgotten that he left an unfinished column two weeks ago, in talking about the care of men in the service. The delay is due to the desire to include a sketch with the concluding paragraphs.

Let's review the obligations and the opportunities of the soldier as he leaves the service. We may not be too optimistic and we may not let down for a moment, in industry, in buying bonds, in the blood banks (the value of which I myself saw in France), in the actual push on the enemies. We can only hope, in the words of a well-known car of a few years back, that "it won't be long now."

The service man (or woman), on being mustered out, must report within 5 days, in person or by letter, to his Selective Service Board. If he wants his old job back, he must ask for it within 40 days.

See that your records are in good order. Any veteran of World War I will tell you the importance of this. Check up on your government insurance. If you have been one of the service men who had protection, under the laws passed by the Congress or the State or under voluntary regulations of the companies, against debts, foreclosures, suits, insurance, taxes, contracts, rights in public lands, or what not, be sure to check and see what the details are. Some of these things must be straightened out within a definite period after discharge. The Bar Association, the Red Cross, or your Selective Service Board, will help.

It will be a good thing to register with the U. S. E. S. If you want a job do it immediately.

You will get \$100 in cash if you have been in the service less than 60 days; \$200 if you have had more than 60 days service in this country, and \$300 for more than sixty days, including foreign service. There are a few exceptions; for example, where the base pay was more than \$200, or there were certain allowances.

For further information about any details in this column, write my office at 239 House Office Building, Washington, D. C., or the newspaper in which you read this, and you'll get a booklet to help you.

There are 30,207 apprentice training programs in the United States. See the USES or the Veterans Administration if you are interested. There will be vocational training courses. The government will pay tuition and expenses to help you make yourself self-supporting if you were injured in the war.

Federal and State unemployment insurance will be available to service men. You must have been in the service between Sept. 16th, 1940 and January 1st, 1945, for most of the things offered.

There are very broad educational opportunities; too long to discuss here. The government will pay the tuition and an allowance for living expenses. I am much interested in this program. You can borrow money to buy or remodel a home; buy a business; buy a farm; buy back your business; go in business with another

Freeway . . .

development of the Village as a foremost winter resort.

He said Palm Springs' particular economy and its place as a winter playground was not only an asset to the Village but to the entire county, to the state and even the nation.

REPORT PRESENTED

In an official report to the highway commission, director of public works and engineers at a meeting in Riverside, Mr. Sorum presented his report on the viewpoint of Palm Springs. His complete report follows:

During the past few weeks a great deal of publicity has been given the matter of Post War Highway needs within the vicinity of Palm Springs, which has resulted in the holding of several meetings within the various organizations in Palm Springs, for the purpose of open discussions concerning this important subject.

NOTES MEETING

The culmination of these various meetings was the calling of a general open meeting to which were invited the members of the City Council, Planning Commission, as well as representatives of the Chamber of Commerce, the Real Estate Board, the Home Owners League and all citizens who were interested in the problem.

As the result of this meeting, and subsequent to lengthy discussion—which was followed by the adoption of a resolution intended to convey the opinion of the majority of those in attendance, the following report is submitted with a view to presenting outline of the trend of thinking amongst the citizens of the Palm Springs Area:

The origin of the City of Palm Springs really dates back to the period of the settlement of the first "Whites" who, for the most part, discovered and took advantage of the healthful climate and peaceful environment of this secluded spot located in one of California's most beautiful settings.

NATURE'S BOUNTY

The rapid growth of our community during the past 15 or 20 years, and the tremendous development during the past 8 to 10 years, have not been the result of any industrial activity—nor of any other activity of commercial proportions; but solely because of the fact that an increasing number of people have been afforded the opportunity to take advantage of, and enjoy, the benefits of our greatest assets—which were provided by Nature.

Through modern means of transportation both rich and poor are enabled to enjoy these benefits, and probably in relatively equal proportions constitute the population of our Village.

PECULIAR PROBLEM

The problems facing those who are charged with the responsibility of administering a sound and progressive local government, as well as the problems confronting those who have contributed the most to the development of our city are familiar to few within the State of California.

The City of Palm Springs has today the second highest property valuations of cities within Riverside County, and therefore is exceeded only by the City of Riverside in the amount of taxes collected within cities.

PROTECT CAUSES

The citizens of our community realize that, if the property values so established are to be maintained to any reasonable degree—and the position of the community as one of America's leading resort areas is to be perpetuated, they must do all within their power to protect the fundamental processes which caused and resulted in the community's development.

They know that when they cease fighting to protect the attributes which made the community famous they individually have lost their share of the community's property valuation and that the community's life as a desert resort will have materially deteriorated.

REALIZE NEED

The people of our community recognize the need for a limited access freeway which would necessarily extend from the San Geronio Pass through the Coachella Valley.

Due to the location of our city, at the base of the mountains, and because ours is almost entirely a residential community, our people believe that the location or routing of a freeway within or through the city limits would result in irreparable damage being done our community.

The western portions of our city have been developed to the extent that the major portion of future development must take place on that land which lies in the eastern parts of our city. Our people are therefore of the opinion that further development of that area would be greatly hampered—and to some extent prohibited—were such a freeway to be located within the city limits.

NOT INDUSTRY ALONE

The tremendous growth of the State of California in the past, as well as the expansion which will come in the Post War Period, cannot be attributed alone to the industrial and agricultural development of the State. We must also respect and take account of those natural resources which established ours as probably the state most attractive to tourists and healthful climate seekers over the Nation.

Realizing that the growth of any community is dependent upon the establishment and maintenance of suitable and adequate roads and highways, it is the desire of our people to provide such roads and highways as will accommodate vehicular traffic in this area as well as the traffic passing through our city.

Thousands of visitors make Palm Springs their residence while making trips of interest to all parts of Southern California during Peace-time.

PLANS DRAWN

The future plan of street development within our city will provide ample means for the handling of traffic within our city and will relieve the congestion which prevails due to the lack of sufficient through streets.

It is believed undesirable to establish our main thoroughfare: Palm Canyon Drive (Route 187) as a four-lane highway. It is, however, believed that provisions could be made which would adequately care for through traffic by the correction of various deficiencies existing in the present highway systems, some of which are hereinafter set forth:

1. Protection from flood damage and the elimination of dangerous curves between the Whitewater Bridge and the North City Limits of Palm Springs.

UNIFORM HIGHWAY

2. Establishment of a roadway of uniform width and alignment of that portion situated within the City Limits of Palm Springs.

3. Widening of the Tahquitz Bridge and possible realignment of the highway parallel to and along the easterly line of Section 22.

4. Reconstruction of that portion lying within the South-easterly area of the City of Palm Springs and that portion between our city limits and Cathedral City—to provide protection from repeated damage resulting from flood waters.

REDUCE CURVE

5. Elimination of the hazardous curve located just east of Cathedral City.

This report is intended to present the general trend of thinking among the citizens of Palm Springs. No thought is harbored which will tend to restrict the development of roads and highways to the extent that it would interfere with the overall economic structure of the State of California or with the Nation, nor to jeopardize the safety of motorists or pedestrians using such roads and highways.

The people of Palm Springs cherish the natural resources which Nature has provided for the benefit and enjoyment of all who care to partake of them and have a strong desire to protect those natural resources to the best

V-Mail War Bond Certificates Ready For Mailing Now; Dec. 10 Deadline

Southern Californians who planned to send Christmas packages overseas, but "missed the boat," or who desire to make an additional contribution to the morale of their fighting men and women now are given that opportunity.

The "best gifts of all," Christmas V-Mail War Bond Certificates, will be accepted up to Dec. 10 by the Postoffice for overseas mailing in time for Christmas.

ORIGINATE HERE

The V-Mail bonds, originated in Southern California and adopted nationally, are being pushed in this area by the Treasury War Finance Committee's women's division and retailers' "Third Army" during the Sixth War Loan drive, which opens Nov. 20.

The certificate, reproduced on the inside of an unfolded regulation size V-Mail envelope, is an exact facsimile of the bond you will want to buy for him or her during the drive. The issuing agency will stamp the certificate

of their ability—consistent with a sound and just determination.

GUESTS AT LUNCHEON

Those present at the luncheon were:

Charles H. Purcell, state director of public works; Highway Commissioners: Harrison Baker, Pasadena; James Guthrie, San Bernardino; F. W. Sandelin, Ukiah; Chester H. Warlow, Fresno; G. T. McCoy, state highway engineer; Fred J. Grumm, assistant state highway engineer; E. Q. Sullivan, district highway engineer.

K. W. Kendrick, acting chairman, transportation and highway committee, State Chamber of Commerce; E. E. East, engineer, Auto Club Southern California; John Luther, director, transportation department, State Chamber of Commerce; William Sparling, manager Southern California office State Chamber of Commerce; Clark Galloway, assistant manager Southern California office State Chamber of Commerce.

George Kellogg, executive secretary, Imperial Highway association; Walter Pittman, county supervisor; Robert Dillon, Fourth district county supervisor; V. H. Grubbs, member County Post-War Planning committee; Joseph Bordwell, director Riverside county Chamber of Commerce; Irving Marshall, County Planning Engineer.

Senator Nelson Dilworth, Assemblyman Phil Boyd, Mayor E. E. Theriault, Councilmen Clarence Hyde, Walter Z. Allen, Maurice McCann and Armand Turonnet; Gordon Feekings, president, and Walter Kofeldt, executive secretary of the Chamber of Commerce; City Manager Ray Sorum, George Roberson, Tom Holland, Charles Burket, William Dean, Tom Lipps, Francis F. Crocker, John R. E. Chaffey, Robert Ransom, Phil Delano, Harry Williams, Miss Bobby Parker and R. F. Graettinger.

as proof that the bond has been actually purchased, and the certificate will bear the name and home address of the recipient, just like the actual bond.

AVAILABLE ALL OVER

All issuing agencies in Southern California, including Victory booths, retail stores and theatres, are being supplied with these V-Mail Christmas Bond Certificates.

However, bonds for overseas mailing must be purchased before Dec. 10, as that is the final day for mailing in time to reach the boys and girls at the fighting fronts before Christmas.

County Balloting Records Broken In General Election

All Riverside county voting records were shattered in the recent general elections, with a percentage of 88.7, according to tabulations by County Clerk G. A. Pequegnat yesterday.

In Palm Springs the vote was 73 per cent of the registration with 1371 votes cast out of 1860 registered.

This figure does not include the absentee vote, figures on which will not be compiled until after November 24, deadline for receiving absentee ballots, including the so-called soldier vote. Final tabulations are not expected to change the vote percentage more than one per cent at most, the county clerk said.

Nearest approach to the present record-breaking percentage was in the 1940 presidential election, when the figures were 78.93, records in the county clerk's office reveal.

Postwar Program Topic At County C. of C. Meeting

Actions relating to flood control, highways and quarters for the department in the proposed new county buildings were taken by directors of the Riverside County Chamber of Commerce meeting at the courthouse in Riverside yesterday. President C. E. Johnson presided at the meeting with Directors Joseph Bordwell of Riverside, Lloyd Record of San Jacinto and Ray Sorum of Palm Springs in attendance.

SECRETARY AVAILABLE

The directors voted to make the services of the executive secretary, Harry C. Harper, available to the county-wide flood control advisory committee which now is studying a flood control district for the county.

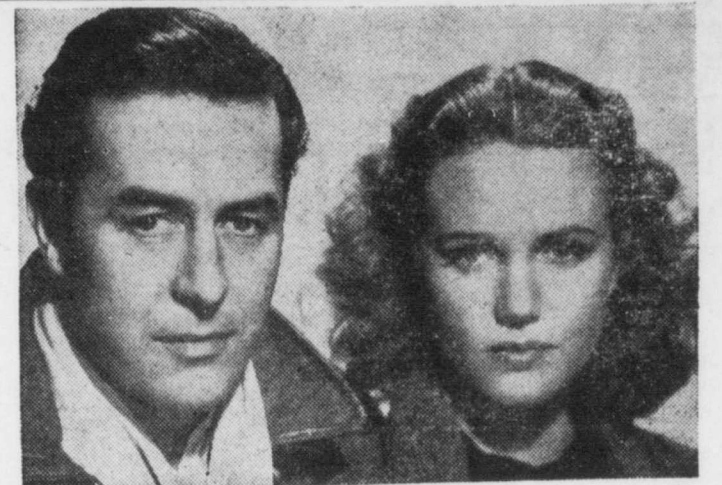

Because the present highway committee has been virtually inactive for two or three years the board voted to make selections of personnel for a new committee which will be appointed at a later date. The county chamber activities have been sharply curbed by war restrictions but the increasing problems of the approaching peace makes necessary revival of the organization's various projects, it was explained by President Johnson.

PLAN NEW OFFICE

Recommendations to the board of supervisors relative to quarters believed necessary for the county chamber offices in the new county buildings were studied and will be conveyed to the supervisors. The recommendations are highlighted by the request that conference rooms be provided

PROOF MUST WAIT

An earnest young student was once received with such kindness by Albert Einstein that he was emboldened to inquire, "Are you quite certain, sir, that your theory of relativity is true?"

"I believe it is true," replied the great scientist, "but it will not be possible to prove it until the year 1981, when I am dead."

"What then?" asked the young man.

"Oh," replied Einstein with a twinkle in his eye, "if I am right the Germans will say I was a German and the French will say I was a Jew; if I am wrong, the Germans will say I was a Jew, and the French will say I was a German."

Students Will Take Big Part In Sixth War Loan Campaign

BY GILLAR BOYD

By soliciting the residential districts of the Village, the students of Palm Springs have entered the Sixth War Bond drive.

Trudy Sawyer, making the first sale, turned in an order for two \$1000 bonds last Monday.

Members of the Bond drive committee, chosen from the Student Council, have been designated as area chairmen. Bob Bell was assigned to district one—the area south of Ramon Road; Petronilla Mutascio, district two—north of Ramon Road to Alejo Road, and east to Palm Canyon Drive; Sallie Lockett, district three—north of Alejo Road to Vista de Chino, and east to Palm Canyon Drive; John Klug, district four—north of Vista de Chino; Art Jones, district five—north of Alejo Road to Vista de Chino and east to Palm Canyon Drive; and Trudy Sawyer, district six—bounded by Ramon Road, Palm Canyon Drive and Alejo Road.

Prizes will be awarded on the basis of points received for the value and number of bonds sold during the campaign, which will continue through December.

Last year the school sold more than \$200,000 which was one-fourth the amount the entire city collected.

Sophs Victorious Over Frosh; Juniors Trim Senior Team

BY DON OMLIN

Winning over the Freshman team by a score of 15-3, the Sophomores proved victorious in one of the volleyball games held two weeks ago. The following Thursday the Juniors won over the Seniors by a margin of 15-7.

This week due to the rain the tournament was cancelled. The next game scheduled will be between the Freshmen and Faculty.

New Officers For Sophomore Class

Because of grade disqualifications, two sophomore class officers were replaced at a re-election called by President Ed Wills last week.

Newly elected are Dick Hine as vice-president and Bobby Jones as secretary.

The other class officer is Treasurer Jay Holderman.

Noted Lecturer Is Heard By Students

Lal Chand Mehra was guest speaker in an address entitled "Parade of Nations", held in assembly yesterday.

Mr. Mehra, a native-born Hindu, illustrated his speech by speaking many different dialects of India.

He is noted for his character portrayals on the screen and radio.

Vacation Schedule For Holidays Told

Holiday vacation schedule at Palm Springs high school will begin with Thanksgiving on November 23 and 24. Students will return on the following Monday.

The Christmas holiday, which will start December 22, will last two weeks with school reopening January 2.

School will also be dismissed Good Friday.

Class of '45 In Tremendous Effort Before Assembly

BY BOB HANN

Once again the "Class of '45" came across with something dynamic and tremendous. They held the whole Student Body in an air of anticipation as they presented their parody of Paul Whitman's show "Paul Whitman Presents."

The script was written and supervised by Bob Dart and John Outcalt. Mr. Hammond was the faculty adviser in charge.

The stage, representing a broadcasting studio, was equipped with mikes, control room and applause cards. The show was introduced by several of the so-called "bwangers" of the senior class. The signal for "on the air" was flashed on and the familiar strains of "Rhapsody in Blue" filled the auditorium. Announcer Bill Goodwin took the lead. He introduced the guest stars and Paul Whitman, and from then on the show was rolling. It gathered momentum as Dinah Shore sang "Tess' Torch Song"; Billy Gilbert showed his ability as a cake baker; and Jo Stafford from Johnny Mercer's Music shop sang "Always." Bert Lahr and Paul gave out with a bombardment of humor. To top it all, Cass Daley added to the riot. Then Cass and Bert played the "Symphony of the Fairies."

The cast included Wendell Delano as Paul Whitman; Margaret Walker as Dinah Shore; Bob Dart as Billy Gilbert; Barbara Burton as Jo Stafford; Harold Emigh as Bert Lahr; Pat Mutascio as Cass Daley; Bob Hann as Bill Goodwin; Bob Bell, Art Jones, Eric Liebenow, Paul Mashburn, Barbara Emigh, Violet Fletcher, Maryann Gorcester, Edith Greer, Barbara Inman, Sallie Lockett, Pat Manley, Babs Neel, Trudy Sawyer and Mildred Woolhouse.

May We Introduce

BY BARBARA AND WAYNE

BOY OF THE WEEK

May we introduce features a Junior this week who hails from Portland, Oregon, and resided in Los Angeles before coming to Palm Springs. He admits his age as 15 9/10. Editor of our school paper, he claims journalism is his favorite subject. He stands 5' 9" (in his shoes) and weighs 136 after a good breakfast. In sports, basketball and volleyball are his leading interest.

Our junior's hobby is blowing his nose, very unusual, but different. Favorite tune and band is "I Cover the Waterfront" (in person) by Artie Shaw.

To him everybody is "Happy Jack" which expression should reveal his true identity.

Love life brings Gloria R. (last name to remain a secret) in Los Angeles.

May we present (proudly or otherwise) Mort Algaese.

GIRL OF THE WEEK

This talented junior (in U. S. History) was born on June 13, 1929 in Mount Vernon, Washington. She has lived in Palm Springs for two years. Her height is 5' 7"—weight, well, we don't know. Color of hair and eyes, brown.

Her favorite sport is horseback riding and for a hobby (check this), she goes in for sarcasm!

Her favorite record is "The Trolley Song" and Van Johnson is her matinee idol. Since this Junior's choice dish is T-bone steak, she is looking forward to those post-war meals.

Well, maybe you need a hint. Her ambition is to go to Washington State college and to be a medical doctor. Her nick name, to her friends, C. J. Burkett and Mary La Rane, is Daddie. Well, that gave it away; you're right, it is Barbara Dodds.

Coachella Football Game Called Off By "Wet Grounds"

The Palm Springs-Coachella

football game, scheduled at Coachella for the night of November 11, was postponed until the end of the last week in November. The game was called off because of extremely "wet" weather.

The postponement of the Coachella game will give the Indians a chance to recuperate from their injuries.

Today the Palm Springs Indians will tangle with Blythe's Palo Verde high school at 3:00 p. m.

GAZOOZIT

(By G. B.)

Pinch-hitting for Marge isn't the safest job in the world. If you have any beefs against this copy our names are Manny and Moe.

Most everyone was disappointed about the game being canceled Saturday night. Especially sorry were those who got to Coachella before they found out about it being canceled.

With the rain and the football game, the town was considerably quiet; all except Joe Damski who got the nick-name of the "Back Seat Kid."

When the game was canceled, most of the team got dates and went to Dart's. Good party—good wenies if you roasted them right.

Hookey had a real god time and Dart kept looking for something he seemed to have lost. Slye was heard thrashing about. Was it cold, Tom?

After leaving Darts, some of the girls had a "sabotage" party. Sabotage party, that's what the guys call slumber parties. Those dumb girls were up until five-thirty in the morning. Wonder what they were gabbing about.

Sunday afternoon, again the rain placed restrictions on activities. About the time it was set to go to Joys, a wrench was thrown in the gears. Then everyone went to the show. By the way, why did Jerry M., in the middle of the show "Rainbow Island say, "Eddie Bracken reminds me of my sister, Patty."? Also, what embarrassed Connie Rose so?

What is this we hear about Delano and Emigh off the steady list? Things are evened up though with Patty and Paul officially going steady.

Hann's car seems to stall at the most convenient times! What was Bell doing there?

What is arriving from L. A. that's causing trouble between two steadies?

With one more thought, we'll say thirty for this week. A voice of appreciation goes to the person who "borrowed" the Gazoozit copy last week. A pretty mean trick!

Correction to this copy. Delano and Emigh are now going steady. (AGAIN).

Villagers Sending In Tax Checks to Beat Dec. 5 Limit

With the deadline for the first half county tax payments only two weeks off, Villagers were beginning to send in their checks to the county court house. First half taxes become delinquent after December 5.

Miss V. M. Hyde, county tax collector, said payments are becoming brisk.

Second half payments of the 1944-45 tax bill become delinquent on April 20.

Hitherto unattainable strength in proportion to weight is claimed for a plastic reinforced with glass fibers, which may be molded into aircraft structural parts.

Many Items Come Before Student Council Meeting

BY SALLIE LOCKETT

At the fifth regular meeting of the Student Council, held during eighth period on Tuesday, November 14, it was moved and passed that the proposed additional charge on dance tickets for those without Student Body cards be dropped. The plan was to have encouraged the sale of the cards.

It was announced that the Palm Springs and Plaza theaters are requiring that in order to purchase tickets as student rates, Student Body cards be shown. Cards similar to those of the high school have been printed for the junior high students so that they may still benefit by student prices at the theaters.

The problem of assembly conduct was again brought before the council. It was decided that class officers should take the names of those who persist in talking. The offenders will be brought before the council for suitable disciplining.

The meeting was conducted by President Bob Lienau.

Legion And Auxiliary Will Meet Tuesday

Owen B. Coffman post of American Legion will meet next Tuesday night at 8 o'clock at the Fiesta House on the Desert Inn grounds. Important matters are on the agenda for the evening.

Women's Auxiliary of the local post will meet the same evening at the same time but in the Red Cross rooms next to the American Legion Dugout.

New Teacher Joins Staff; Mrs. Davis Here From Pomona

Added to the teaching staff of P. S. H. S. yesterday, was Mrs. Gladys Davis, who received her Master's degree upon graduation from Claremont college. She majored in English and minored in History.

Mrs. Davis has had previous teaching experience at Chaffey high school in Ontario, California. She has just returned from New York where she was engaged in personnel work for a large mercantile establishment.

While her husband is serving in the South Pacific with the armed forces, Mrs. Davis plans to teach two basic English classes and Commercial Arithmetic. She will be a relief teacher one period, in Study Hall second period and in the office at noon.

PUSHOVER?

DON'T TELL PRIVATE JONES THE JAPS ARE EASY

The Job in the Pacific Is Still Terrific!

THERE ARE STILL MILLIONS OF
TOUGH, BRUTAL JAPS TO LICK.
EVERY JAP WE KILL MAKES
MY CHANCES OF GETTING HOME
BETTER, AND IT COSTS PLENTY
TO KILL A JAP

IF YOU think Japan is a pushover—you're fooling yourself, mister. Millions of fanatical Japanese are prepared to die for their country. Every American soldier, marine and sailor in the Pacific knows that he has a tough fight on his hands. You can't tell them their war is over! Even as you read these words, American men are dying in the fight against Japan.

Look into your heart and ask yourself honestly: "Have I stopped fighting? Have I stopped buying War Bonds because I think the war is about over?" You're not a quitter; your answer is "No!"

It costs billions of dollars a month to fight Japan

The fight in the Pacific calls for a highly specialized type of equipment. B-29 bombers that cost \$600,000 in War Bonds; M-4 tanks with bulldozer blades that cost \$67,417; "alligators" that cost \$30,000; millions of gallons of gas. We need more and costlier equipment than any war has ever called for. And that's the reason for the 6th War Loan Drive. Just as long as a single Japanese aims a gun at our men—we must continue to buy War Bonds.

Once again you are asked to buy at least one extra \$100 War Bond. Buy more if you possibly can. Not only is it for the final Victory—it's for your future. Sign up for extra War Bonds on the Payroll Plan. Welcome the Victory Volunteer when he or she calls at your home. Remember—the job in the Pacific is still terrific. We're out to get Japan in the 6th War Loan Drive!

YOUR COUNTRY IS STILL AT WAR—ARE YOU?

Lecturer Spreads Palm Springs Fame Over Wide Sector

Three years ago John Claire Monteith and his wife, Olive, were in Palm Springs. Mr. Monteith, a noted lecturer before exclusive clubs and other organizations in the east, was so impressed with his vacation here that since then he has included Palm Springs as one of his chief lecture topics.

As a result, the Village has been publicized before crowds in resort hotels, on big lecture courses, at women's clubs, country clubs, colleges and private schools.

When his efforts became known here, Villagers supplied him with a constant flow of new material. Earl Coffman of the Desert Inn, the Date Growers' association supplied colored film through Al Taylor and others helped.

Secretary Walter Kofeldt of the Chamber of Commerce this week received a letter from Mrs. Monteith telling of the success of these lectures and outlining plans for a midwest tour this winter including the territory from Milwaukee and Chicago, east to Pittsburgh, south to Texas and west to Denver.

They expect to be in California again this coming spring.

Gas Co. Employee Here Killed When Big Plane Crashes

After being shot down behind German lines, while on a bombing mission on D-Day, and escaping without injury, Lt. Alva Eickmeyer, 27, well known here, died in the crash of a C-47 Army transport plane last Saturday night on Strawberry Peak, near Mt. Wilson, north of Pasadena. The Army announced the names of victims of the crash Wednesday.

Soldiers from the Air Transport Command at Long Beach, Tuesday, completed removal of the bodies of the 11 persons killed in the wreck of the transport plane when it crashed against the peak. Only two persons escaped alive, a sailor and a Negro soldier. They are: Pharmacist's Mate 3rd Class Beuford V. Chism, of a naval base at San Bruno, and Cpl. Kenneth C. Bedford. Both are in the Pasadena Area Army Hospital. Mr. Chism is recovering rapidly from minor injuries and exposure, while Cpl. Bedford is still in serious condition.

CRASHED IN STORM

The airplane crashed in a snowstorm during a flight from St. Joseph, Mo., by way of Hamilton Field, California. Location of the wreck which was reached only Monday morning because of a near-blizzard over the treacherous terrain, is in Wildcat Canyon, three miles from the nearest trail and 11 miles from Angeles Crest Highway.

Lt. Eickmeyer was employed by the Southern California Gas company and well known here where he worked out of the local office when in this territory. He was a member of the National Guard. After training with the National Guard, he transferred from the infantry to the Engineering Corps and was commissioned a second lieutenant. Later he transferred to the Air Corps and was commissioned as a pilot.

EVADES CAPTURE

When he was shot down behind the German lines, Lt. Eickmeyer managed to evade capture; and it was not until after Belgium had been retaken by the Allies, that he was able to join his unit.

Lt. Eickmeyer's parents reside in Spokane, Washington. He had, however, for many years lived in Southern California. He made his home with his uncle and aunt, Mr. and Mrs. Byrn, 2047 Marlborough street, Riverside, both of whom taught in Colton. He attended Colton high school and San Bernardino Junior College.

While attending an Army engineering school on the Atlantic coast, Lt. Eickmeyer was married to an Army nurse, who survives him. She is believed to be stationed in India.

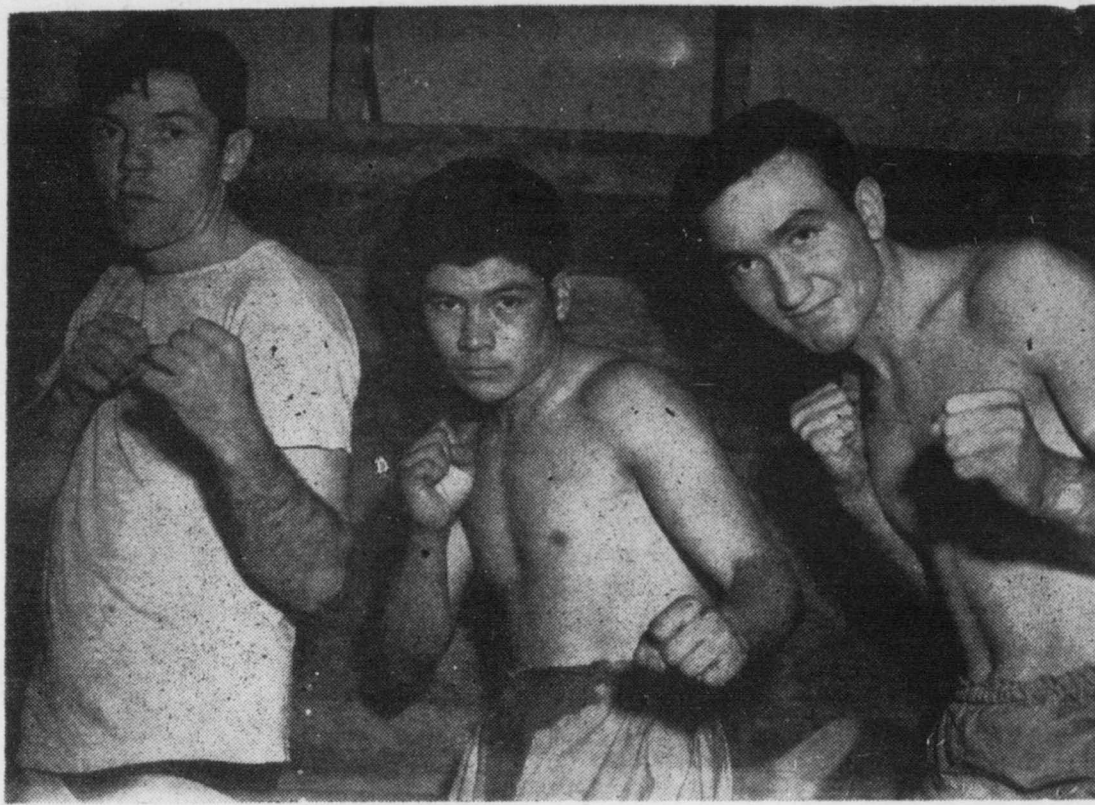

Lt. Eickmeyer was enroute to the Santa Monica Redistribution Center when the fatal accident occurred.

Prominent Detroit Family In Village

Mrs. Eugene H. Konstant of Detroit, Mich., is in the Village with her son, Gene, to spend the season. Mrs. Konstant is prominent in Parent-Teacher association circles in the east.

Mr. Konstant, a leader in civic affairs in Detroit and a member of the city committee of the National Paralysis foundation, plans to come to Palm Springs to spend Christmas vacation days with his family.

Palm Springs Air Base Basketball Loop Sked Arranged

With re-arrangement of the several combinations entered in the 21st Ferrying Group intrasquadron basketball league completed, a definite starting date has been set for the commencement of play.

Tuesday, November 21 marks the date for the beginning of the titanic struggle that will determine the post "casaba" champs.

After the re-shuffling of teams was completed, eight teams were found to be entered in the competition and ready to toe the starting line.

The change in administration on the field necessitated the dropping of two teams and also a surprise entry in the civilian workers who chose to take a fling at the league.

Following are the entries that will be prepared to take potshots at the basket next Tuesday: Admin. Sqdn.; Operations EM; Operations Officers; Aircraft Maint. Sqdn.; Supply & Service; Torney Hospital; Civies and the "Bandits," composed of men from the Medics, Weather and 723rd Band Sqdns.

Work Under Way On Windy Point Job

Actual work on the long-awaited improvement at Windy Point is under way this week with the George A. Herz company of San Bernardino busy on the twentieth mile stretch.

The curve will be widened and banked properly to improve vision and resurfaced.

The improvement was authorized by the state after City Manager Ray Sorum had called attention to the hazard to motorists which existed there.

21st F. G. Boxing Team Rounding Into Pink of Condition

Down at the 21st Ferrying Group headquarters, Palm Springs AAF boxers are swinging into shape as the time for the Ninth Service Command tournament draws near.

A newcomer got into the picture with the boxing team in the person of Pvt. Bob O'Fallon of the Operations Section. He is 21 years old and has had thirty fights, of which he has won 28. He has 16 K.O.s to his credit and was Douglas Aircraft champ.

Boys at the army air base here are confident that he will go far in the tournament.

Men with no boxing experience are urged to come to the gym for instructions. In the future the policy of the athletic department will be to award prizes to all participants, whether in post or inter-post competition.

If She Could Only Cook

"Is your married life a happy one?"

"Yes, I married the woman of my dreams. She is as beautiful to me as the day I met her. Her hands are always white and soft. Her hair is never untidy, and her dresses are always the latest."

"So you don't regret it?"

"No, but I'm getting pretty tired of eating in restaurants." —Lookout.

Happy Reunion of Old Friends Held At Deyo Residence

A group of old friends held an interesting reunion here over the weekend, when Mr. and Mrs. Eugene N. Deyo entertained at their home, 686 Calle de Marcus.

Mr. and Mrs. Ralph Tate of Fontana and Miss Rosamonde Harries of San Bernardino were house guests for the weekend and were joined at dinner on Sunday by Mrs. Adella V. Weaver, Mr. and Mrs. Clarence Joris, Miss Louella Joris, Miss Annetta Joris, Kenneth E. Joris and Borden McBurnett, of San Bernardino, and Mrs. Elizabeth Schnur, Miss Jennet Schnur and Mr. and Mrs. Paul Lohmiller of Riverside, and Mrs. Edith Williams of Santa Ana. An airmail greeting was received from one absent member, Murphy Galloway, of Colton, now serving with the Navy in the Pacific.

Many of the guests had presided over Eastern Star chapters together during 1938 and a happy time was spent reminiscing. The rooms were brightened with autumn chrysanthemums, sent by telegraph from Georgia by the son and daughter of the Deyos, Lt. and Mrs. Laurence C. Cook of Fort Benning, Georgia.

Gibersons Hosts At Gay Gathering

Initial Musical Program For New Season On Monday

By MARTHA FORWARD

On Monday afternoon, November 20, Daryl Dayton, pianist, and Margaret Dayton, soprano, will appear before the Palm Springs Woman's Club in the first musical program of the year. Teachers in the Palm Springs schools will be guests of the club on that day at two-thirty o'clock, in the club house, 314 South Cañuilla Road.

Mr. and Mrs. Dayton, both graduates of Oberlin Conservatory of Music, have concertized extensively—Mr. Dayton on the West Coast and in both Minneapolis and Chicago where he was teaching this summer, and Mrs. Dayton in the Pacific Northwest and in Southern California.

POMONA PROFESSOR

Mr. Dayton is professor of music at Pomona College, Claremont, where he teaches piano and has large classes in music appreciation. He has done graduate work with Arthur Schnabel, Leonard Schures and Dalles Frantz and for the past six years has studied with Dr. Guy Maier, nationally known educator and pianist.

Margaret Dayton, assistant professor of music at La Verne College, has done advanced study in Berlin and New York under Louis Bachner and has achieved a special success through her fine lieder singing. She has served on the faculties of the University of South Dakota and Washington State Teachers College. She will be accompanied by Mr. Ralph Travis, head of the music department at La Verne.

MRS. HORMEL CHAIRMAN

The Daytons will come with a wide repertoire from Bach, Beethoven, Chopin, Brahms, Schubert, Schumann, Debussy and other composers of equal importance.

Mrs. John G. Hormel, chairman of hostesses for the tea hour, will be assisted by Mrs. Austin McManus, Mrs. George Pitt, Mrs. Clarence Simpson, Miss Nellie Kalbach, Mrs. John Kline and Mrs. John R. Hamilton.

Villagers Hosts At Dinner Dance

Mr. and Mrs. Jack Hill were hosts at a farewell dinner dance last weekend given in honor of Mr. and Mrs. Warren Weiman of Banning who are leaving soon to make their home in Hereford, Texas.

Guests were: Mr. and Mrs. George Barker, Mr. and Mrs. C. J. Frost, Mr. and Mrs. Harry McClung, Mr. and Mrs. Maurice Gutches, Mr. and Mrs. Daniel Sheckler, Mr. and Mrs. Wilmer Wieman, and Mrs. Marlin O'Dell, all of Banning.

Mrs. Ray Ewing of San Diego; Mr. and Mrs. James Henderson and Mr. and Mrs. Kingsley Bird of Palm Springs.

Los Angeles Club Comes to Desert Inn For Annual Outing; Prominent Guests Register At Inn For Winter Vacation

Members of the 50-50 club, a group of business and professional men of Los Angeles and surrounding area, met at Desert Inn this weekend. Each year members and their wives plan a social weekend at some nearby resort, and they have been coming to Desert Inn for the past few seasons. Many in the group are expert horsemen, so they spent many hours riding the beautiful desert trails.

Those, who were here for the get-together, included Messrs. and Mmes. V. B. Anderson, Henry Carty, Earl Crockett, Al Fernandez, Ed Holmes, Riley Huber, Harry Huntsman, Buss McCoy, Stephen Compas, Robert Reddington, Jacobs, Ewald Lemake, Ross Ingram, Howard Lutz, Ted Von der Ahe, James Quintrall, James Rife, George Lutz, Kenneth Roth, Evert Lutz, Dr. and Mrs. Dixon McNaughton and Bob Hernandez.

HONEYMOONING HERE

Lt. Col. E. P. Pennebaker, U.S.M.C., and his bride spent their honeymoon at Desert Inn. The marine colonel recently returned from flying duty in the South Pacific. Following a month's leave the couple will be in El Centro, where Col. Pennebaker is assigned for his next tour of duty. Both the bride and bridegroom formerly resided in San Diego, where they attended school together.

Mrs. Albert Brown with her two children and her mother, Mrs. J. J. Riese, all of Fresno, have been enjoying an active outdoor life during their stay at Desert Inn. Several days ago they were joined by Mr. Brown, and the group will return home late this week.

Catching all interest whenever she entered the Inn's lobby this week was Cherry Brill, year-old daughter of Lt. and Mrs. Marty Brill. The little tot is learning to take her first steps, and has many admirers already. Mrs. Brill, whose husband is the famous All-American football star in 1940 of University of Colorado, was here with her mother, Mrs. William W. Manning, and her sister, Miss Sue Manning. They are the Manning Coffee family, formerly of San Francisco, and now making their home in Pasadena. Lt. Brill, U.S.N.R., soon is to leave for overseas duty.

DINNER GUESTS

Mr. and Mrs. John Howard (Ruth Roberson) down for a short visit, were dinner hosts one evening in De Anza room to Mr. and Mrs. William Powell. Another evening this foursome with Mr. and Mrs. Charles Everts, dined together, and later attended the famous Thursday night barn dance at Roger's stables.

Brig. Gen. L. V. Bean with Maj. Wayne Scott, of Patterson Field, Ohio, were guests at the Inn this week. Gen. and Mrs. Courtland Parke also checked in for a short stay.

Home On The Range

If you're favorite merchant wasn't as agile as he has been and creaked a little while taking care of your wants, chances are he was in that group of business men who went out to Rogers' ranch Thursday for the first business men's breakfast ride of the season.

Heading the group which whetted a tremendous appetite for breakfast with a brisk ride were Charles Mathews, Irving Snyder, Henry Munholland, Fred Watson and Carl Lykken.

Brenda and Cobina really got into things in the kitchen at Rogers' ranch last Wednesday. Peter Lorre was bringing a gang over from the B-Bar-H and they figured there would be great appetites after the long trek over the desert on horse-back.

Having fun in the Corral room were Mr. and Mrs. J. A. Kasler, Mr. and Mrs. Max Ginsberg, of Toronto, Canada; Mr. and Mrs. Eddie Green, Eddie Parker, Hollywood Director Lothar Mendes, Miss Louise Gillis, Peter Lorre and his charming wife.

The weather being what it was, the crowd at the Thursday night Corral Club dance was small but it made up for that in a big time. Ted, one of the ranch cowhands, did a couple of songs and the Paul Jones was a riot.

Sunday night was one for the memory book. The ribs were par excellence, and there was delightful company. Lovable Charles Winniger entertained with songs from Show Boat, Trav Rogers did his share, even Bill Powell did a little harmonizing, with gracious Fay Bainter helping along.

Priscilla Chaffey proved to be the prima donna of the crowd. Those enjoying themselves singing and thinking up "new" old songs were Mrs. Ruthie Godean, Dr. and Mrs. Green from San Francisco, Mrs. Charles Winniger, Dick Lipman who entertained for Reg and Fay Venable, their house guest, Captain Howard Brown, Mrs. Mable Isaacs and daughter Fay who is resting after a season with the Russian ballet; Diana and Bill Powell, hostesses to Mr. and Mrs. Bob Howard (she is the former Andrea Leeds), Mr. and Mrs. Fred Clappett, Mrs. Janis Cauthorn, John Chaffey, Mrs. Barney Hinkle, Mr. and Mrs. Young, Miss Dorothy Gray, Mr. and Mrs. Arthur Henry, Lt. and Mrs. Ed. Rohan, Mrs. L. W. Cohen, Mr. and Mrs. Charles Evert.

Re-Union Days End At Hennes Home as Visitors Depart

Mr. and Mrs. Mathew Hennes find things a little more lonely than usual this week by comparison with a few days ago.

Capt. John Bowers, Mrs. Bowers (formerly Mary Jane Hennes) and their little eight-month-old daughter, Susan Anne, left last week for their home in Dayton, Ohio, near Wright Field, where Capt. Bowers is stationed. Mrs. Bowers and daughter came west a few weeks ago while Capt. Bowers flew out later.

While they were there, Sgt. Matthew Hennes, now stationed in Louisiana, was home on vacation. He has also gone back to camp.

Mrs. Theodore Bynch, Mrs. Hennes' mother, and Mrs. Donald Buerig, her sister, also were present to complete the family reunion. They live in Westwood.

Lions Club Dance Delightful Affair, Also Profitable

Meeting at the Colonial House Monday night, members of the Palm Springs Lions club, their ladies and guests, highly enjoyed the first evening social event of the season.

Besides dancing to the music of the Torney Hospital orchestra, various articles were auctioned off in spirited and hilarious bidding.

Proceeds from the dance and auction went to swell the War Activities fund of the club.

Col. and Mrs. Jones Hosts to Visiting Hospital Officials

Col. and Mrs. A. B. Jones and the staff at Torney General Hospital were dinner hosts Monday evening to a party of officers from the Surgeon General's Office and the Ninth Service Command, Surgeon's Office.

Present from the hospital were Col. and Mrs. Jones, Miss Catherine Jones, niece of Col. Jones; Major and Mrs. C. M. Prince, Col. Raeburn J. Wharton, Lt. Col. Meredith Beaver, Lt. Col. R. M. Jones, Lt. Col. Willard L. Nielsen and Mrs. Nielsen, Major and Mrs. Preston E. Gibson, Major Edward P. Schwartz, Major Felix J. Dreyfous, Major Forrest E. Williams, Major Edna Traeger and Capt. Lillian M. Smith.

The guests were from Washington, D. C., and Fort Douglas, Utah.

Gray Ladies Meet At Luncheon, Talk Over Year's Plans

Twenty-six members of the Palm Springs Gray Ladies met at the Palm Springs Tennis club Wednesday to discuss their Red Cross Hospital and Recreation corps work.

Shoppers, ward workers, receptionists and "specialists" had an opportunity to clarify corps detail and during luncheon a general discussion was held.

Guests of honor at the luncheon were Miss Lauretta Wilkinson and Miss Madeline Hagerty of Torney General Hospital's Red Cross staff and Mrs. F. P. Bowes, visiting Gray Lady from Norfolk, Virginia.

Los Angeles Writer Guest In Village

Princess Conchita Pignatelli, Los Angeles Examiner feature writer, in town to do a story on Torney Hospital's great reconditioning program, and her two daughters, were guests of Mrs. Ona Brown last weekend.

Also guests of Mrs. Brown were Mr. and Mrs. Stewart Skinner and Mr. and Mrs. Odgen Westerbrook, Jr., of New Rochelle, New York.

The George A. Braleys have returned to Palm Springs for the winter season after a summer spent at Seaside, Oregon.

Malouf Residence Scene of Charming Party Saturday

Mr. and Mrs. William Malouf entertained Saturday at their home in Los Palms estates for 40 guests in honor of Mr. and Mrs. Vincent Marco of Holmby Hills.

Other guests of honor at the delightful occasion were Mr. and Mrs. Edwin Anderson of Bel-Air and Mr. and Mrs. Bert Malouf of Beverly Hills.

Birthday Observed On Day of Arrival

Mr. and Mrs. Humphrey Birge, parents of Mrs. Harold Hicks, arrived in Palm Springs Tuesday to spend the season. Their home is in Buffalo, New York.

Mrs. Birge celebrated her birthday on the day of her arrival.

Ernest Alschuler To Arrive Monday

Ernest Alschuler, prominent Chicago radio manufacturer, is scheduled to arrive in the Village next Monday to spend the season. He will join Mrs. Alschuler who arrived a few weeks ago from the midwest.

Henry Weinbergers At Beverly-Wilshire

Mr. and Mrs. Henry Weinberger, who recently sold their handsome home here to Mrs. Rueben Fleet of San Diego, left last week for Beverly Hills where they will spend the next few weeks at the Beverly-Wilshire.

Capt. and Mrs. Maurice Conn were hosts to Mrs. Ona Brown, well known Village socialite, at the dance last weekend at the army air base.

Movie Executive And Bride Here

Honeymooning in Palm Springs this week are Lieutenant and Mrs. Cecil Barker who were recently wed in Los Angeles.

Lt. Barker was formerly assistant to David O. Selznick, producer, and his bride was recently graduated from a reception desk in the studios to a motion picture role.

Lt. Barker is now attached to the army air force motion picture unit.

Cathedral City

By W. R. HILLERY

I've promised to tell you something about the Parent Teachers association as it relates to our community. For various reasons I didn't get to a meeting until last Monday's executive session and did it rain. In spite of heat and high water the representation of Cathedral City equaled that of Palm Springs until the military moved in and tipped the scales for Palm Springs. The Palm Springs area seems war weary when it comes to another new effort but it will surely be too bad if the parents do not show interest enough to bridge between their home problem and that of the school. If something can be done with delinquent parents there will be little youth problem to face. The whole problem is like that of the Coachella VC Storm water authority. Nothing is done in the mountains and canyons to control the flood but great excitement is shown in trying to guide it after it's out of control and down on the desert.

I am not fully informed about the Cathedral City section of the Palm Springs association but from previous accounts, I take it that Mrs. London, Mrs. McMahan and Mrs. Ide are active and that at the very well attended meeting with Principal Lily A. Cable of our local school, Mrs. Edith Cruncheon George was elected president of this section. Mrs. George is not only an excellent choice but there is a sentimental thought back of it. This young mother attended Palm Springs schools and now a the job of being a school parent herself. The next meeting is at Frances Stevens school Monday night at 8 p.

m. Every parent of a school youngster or one who will soon be one should attend.

Bill Cobb came out and spent the weekend in the village although I didn't see him. He brought out Mrs. Ruby Bone and young Floyd Musselman. When Bill went home he took Floyd together with Mrs. Bill and the two youngsters. Floyd again became one of the old 'Three Musketeers' and joined his former chums, Robert Higgins and Robert Hillery. Now I am getting around to Ruby. We all love her and miss her since she moved into the big city after the years she worked for Mrs. Edna Cobb. It's still something to chuckle about when I think of the time when Edna put a mouse trap in the candy pail when she saw Frank Dorro coming into the store and knew Frank's habits. Before Frank could get to the pail, Ruby came into the store for some supplies and did something that was not her habit. Put her hand in the pail and got the shock of her life and didn't see the humor in the joke. This is not so incidental but Edna was seriously ill this past week but under the care of Dr. Leon M. Wilbor she is again on the job in the post office. And Marie Ide is giving her a hand. Marie should have been quints. We were in Los Angeles two days this week and we could only get Marie to take over for us on Thursday but my Marguerite's aunt Sarah Heard said she would do the best she could to hold the fort on Wednesday. And Aunt Nellie Heard went to Town with us.

Mrs. Don Maher got back from Seattle where she attended the last rites for her father. I don't know the rest of the story but Hilda has been staying at the Maher Pepperika Ranch while waiting for an event of great importance to the future of the Maher family. Tuesday there was enough water running in the Whitewater Wash to hamper travel by the ranchers but Hilda got over and went to Palm Springs where we had directed her to contact Mrs. Gladys Denton who is Gordon Feelings' sister. Gladys had cooked up a baby shower as a surprise and was having a hard time getting Hilda and the shower together.

Judge Orfa Jean Shontz and Eve Woodworth who have been enjoying a vacation during the past weeks of indifferent weather departed from the comfort of the W. L. Jordan apartment where they had been staying for the rigors of Los Angeles. We hope these ladies enjoyed their stay and return again soon.

I finally got a letter from Frank and Emma Shannon. They were in St. Petersburg, Florida. A very interesting letter and of wide range as it told of Frank's

serious illness on their way east. In fact that changed their plans about going north until the severe weather is over. Weather, recreations, prices and many other topics were touched on and was especially interesting coming from a confirmed desert rat. I'm no great shakes as a real estate man or I would have seen that this fine couple had a place to return to here in our village. Broad minded Palm Springs would never begrudge us sharing the Shannons.

You know James K. Wolseth in addition to being the president of our chamber of commerce also is doing a great work in directing the Cub Scouts here. They have plenty of pep and it is being directed where it is doing the most good. Here is cheers to you Jim and your gang. Carl Higgins has reopened a date shop in the Linkletter building. Louis E. Parker and wife this week purchased a half acre in the village. The Parker family has been here since mid-summer. Louis is a California-Electric employee and judging from the fine lot of fellows that company has on their rolls, I know we are glad the Parkers decided that Cathedral City is the place for their future.

The Frank C. Russell family came down from Crestline in sections but I know they are all here now for Frank and Toni are planting strawberries and doing the work that Toni likes for she is in her element when she can stir up mud in one form or another.

Francine Melrose who spark-plugs the local Red Cross tells me they have gotten off to a flying start this season but haven't selected a corresponding secretary or whoever it is who writes their notes and minutes. Francine gave me the following with apologies and she needn't have done so:

The second meeting of the Cathedral City Unit met at the Town Hall on Monday at 1 p. m., the 13th. Mrs. Ruth Childs, who is production manager, with her willing workers are busy making hospital bed bags, kitbags and layettes. Mrs. Thelma Valiquette is serving as surgical dressing supervisor until the return of our Mrs. Mary Hallet who was so popular last season. Mrs. Genevieve Robinson and Mrs. Josephine Higgins gave the girls a surprise during the half hour social and business meeting by serving individual home made pies and coffee. Last season 25 pies were presented to workers who had served over 50 hours. There were 93 workers who put in a total of 3400 hours and hte Red Cross drive netted \$1301.75. \$206 was raised to buy Christmas presents for our wounded boys in Torney General Hospital, and in addition, the local girls got together 87 packages, each containing 5 articles for distribution to the boys. Then here is something that indicates how much the girls worked to relieve suffering: In the last two months of the season they turned out 5082 dressings for the hospital. More wounded are now on the way home and this work should be stepped up. We need more workers. Volunteer. Ask anyone in the village about it or see Francine Melrose personally.

(I added a few pleas to Francine's request for more help). Remember drives are on. Professor Kyle has the War Chest and give to that worthy cause and in the Bond drive—invest all you can afford when the boys of the Palm Springs high school or the Boy Scouts call on you.

For the period of 1940 through 1943, the accidents, fires and explosions in military plants caused 97 per cent less fatalities than were sustained during the first World War, and property losses were 93 per cent less than those of the last war.

Will someone please notify all of the oyster stewers that oysters are back?

Village Rainfall Total Boosted 1.74 By General Storm

In company with the rest of Southern California, the Village underwent a spell of damp weather this week with almost an inch and three-quarters of rain since last Thursday.

Total for the season up to yesterday noon, as recorded at the fire department, was 2.06 inches compared with 1.78 inches on November 16, last year.

The precipitation had its effect on temperatures, too, with warmer nights and cooler days. The week's temperatures:

Records For Busy Day Broken Sunday At Fire Department

Chief Bill Leonasio and his staff broke a record Sunday.

It was the day of rest but they had three calls between 11 a. m. and 5:15 p. m.

First call at 11 o'clock was to the home of John R. Sturgeon, 524 Hermosa place, where a flooded oil heater caused alarm. The situation was quickly in hand with no damage.

RED POINTS LOST

At 3:32 p. m., the department was called to Apartment 6, occupied by Fred Goff, who was taking a nap while his roast burned in the oven. Outside of a little smoke damage, the loss was confined to Goff's precious red points.

At 5:15 p. m. the department went to 1580 North Indian avenue where an automobile belonging to Harry Oliver, parked at the Desert Retreat, was found afire. Damage was estimated at \$25.

CALL IT A DAY

With that fire out, the firemen called it a day.

On Tuesday, at 6:50 p. m., the department responded to a call at the residence of Isaiah Hirsch on the reservation. A wall became ignited from a too-hot heater. The blaze was subdued before the department got there, by means of a garden hose.

Highest railway in the United States is at 11,320 feet above sea level at the continental divide in Colorado.

Scientists claim the earth's atmosphere shields its inhabitants from harmful sun rays and helps to equalize day and night temperatures.

p. m., 10:08 p. m. and 10:31 p. m., leaving Los Angeles about three and one half hours earlier.

Westbound trains are due here at 5:54 a. m., 6:14 a. m., 8:28 a. m. and 4:01 p. m. arriving in Los Angeles approximately three and one half hours later. Only the 8:28 a. m. and 4:01 p. m. trains are available for local service to Los Angeles.

More Publicity Coming to Village, Chamber Is Told

Two requests which will mean additional publicity for Palm Springs came into the Chamber of Commerce this week.

The American Express company asked for an exhibit of Palm Springs for its Post street window at its San Francisco office.

The Sports Digest, a magazine published in Los Angeles, has asked for a story on winter sports in the Palm Springs area.

Both requests have been complied with by the Chamber.

Turkey Prices For Thanksgiving Day Feast Announced

William A. Lippman, chairman of the local war price and rationing board, has received many inquiries on turkey prices and today issued the following statement:

OPA at Los Angeles has informed the local board that turkey prices are controlled by MPR 423 for Group 1 and 2 stores, and MPR 422 for Group 3 and 4 stores. Under these regulations the prices may not exceed the following:

Turkeys on foot, 46¢ per pound. Turkeys dressed, 51¢ per pound. (If drawn under 13 pounds the price may be 61¢ per pound; from 13 pounds to 16½ pounds, drawn, price may be 60¢ per pound; over 16½ pounds, drawn, the top price is 59¢ per pound).

Poultry prices remain unchanged from previously announced maximums.

Buyers are cautioned that any prices asked higher than these are in violation of OPA Price Regulations and should be reported to the local ration board.

Airplanes may now land on ice or hard-packed snow with a tire equipped with removable steel lugs, which act in the manner of car tire chains to prevent slipping and skidding.

Christmas Mailing Rush Under Way At Post Office; Postmaster Appeals To Villagers to "Get It In Early"

There are only 28 shopping days until Christmas.

According to R. M. Gorham, postmaster, most Villagers seem to have this on their minds. The Christmas season is under way at the post office. Packages are piling up and the entire staff is busy handling the steadily increasing volume of mail.

Postmaster Gorham issued an appeal for early mailing of Christmas packages this week.

"It looks like the heaviest Christmas mailing in the history of the local office," he said. "We were recently allotted an increase in personnel and our staff is a pretty efficient one—but unless Villagers bring their packages in early, we are going to be swamped. Get your packages on their way as early as possible so that they'll be sure to reach their destination on time."

Postmaster Gorham also urged that Christmas packages be wrapped carefully and securely. Mail for servicemen overseas was carefully and adequately wrapped.

WRAP IT CAREFULLY

"Do the same with your mail for domestic destinations," he said.

Postmaster Gorham also urged Villagers to send their Christmas greetings as first class mail in sealed envelopes.

"They'll have more personal appeal that way, will be dispatched and delivered first, given directory service when the address is incomplete, forwarded if necessary and returned to the sender if undeliverable and the return address is shown on the envelope."

FACE DISAPPOINTMENT

"On the other hand, printed Christmas greetings mailed in unsealed envelopes at the third class postage rate, which cannot be delivered as addressed, must often be destroyed as waste, thereby causing disappointment. Mailed at third class rate they are not given directory service or forwarded free and the senders may never know that the greetings were not received."

The postmaster this week put notices in the mail for all Villagers calling attention to the fact that with so many postal and railroad workers now in the armed service an urgent plea is being issued to "shop now and mail in November."

USE ZONE NUMBERS

"Packages may be marked 'do not open until Christmas,'" he said. "Early mailing will save a tremendous amount of grief and will also insure the timely arrival of the gifts."

"Also—don't forget—use delivery zone numbers on mail to the larger cities."

Membership List Of C. of C. Now Shows 270 Names

Membership in the Palm Springs Chamber of Commerce went to 270 this week, a gain of 104 since the annual meeting on April 4, Walter Kofeldt, executive secretary, reported yesterday.

Newest names on the roster are:

Palm Springs Plumbing company, Henry Goldenberg, San Francisco, Transcontinental and Western Air, Palm Springs Motor Parts, Katherine Finchy, William A. London, Detroit, Louis Danzinger, La Serena Cottages, La Plaza Date shop, Frank Finch, Sam Levine.

Chicagoan Wants C. of C. Open All Night, Sunday, Too

Walter Kofeldt, Chamber of Commerce secretary was faced with a new one this week.

He should keep the Chamber of Commerce open all night—and on Sundays, too. Sharon Morrison, operator at the telephone office here, notified Mr. Kofeldt Sunday that at 5:10 a. m. that morning a long distance call came through from Chicago for the Chamber.

The man at the other end of the line was much disappointed in Palm Springs.

"You mean to tell me the Palm Springs Chamber doesn't stay open all night?" he said.

MUSEUM NOTES

By T. D. A. Cockerell

The Desert Museum welcomes visitors every day, including Sunday, without charge. The Museum is open from 10 A. M. to 5 P. M., every day, and for special programs every Wednesday and Saturday evening from 7 to 9:30.

On Saturday evening, November 18, Professor Cockerell will talk about the care of wild life. The talk will be illustrated with motion pictures of bird and animal refuges. One picture shows Grey Owl and his animal neighbors in Canada; one shows a bird refuge in Louisiana; and another shows a bird refuge in the Sacramento Valley, California.

Wednesday evening, November 22, S/Sgt. Kenneth B. Garner, a college teacher of Mineralogy and allied subjects, and founder of the Orange Belt Mineralogical Society of California, will give us another talk about rocks of the desert. His talk at the Museum on a previous occasion was greeted with great interest, and a request that he give us another talk and discussion of another group of desert rocks. This time, among other things, he will tell the story of Ground Sloth Cave in Southeastern Nevada. Attention is called to a new case of minerals installed in the museum by Mrs. Hale.

Police Sergeant Attends Juvenile Conference

Establishment of a permanent state crime-prevention institute and of juvenile bureaus in all law-enforcement agencies was recommended in a resolution passed yesterday at the close of a two-day conference in Los Angeles on juvenile delinquency control.

Police Sergeant Orest Johnson represented Palm Springs at the conference. Sgt. Johnson, local Cubmaster, was appointed juvenile officer for the Village by City Manager Ray M. Sorum two weeks ago.

Less than 25 per cent of the state's law agencies have juvenile bureaus, the conference heard. It recommended special training in crime prevention and juvenile control for law officers.

The conference, conducted at the University of Southern California campus, was sponsored by the California Youth Authority, California War council, California Peace Officers association, District Attorneys' association of California, California State Sheriffs' association and the attorney general.

United States exports of chemicals and allied products increased in 40 years, from 1902 to 1942, approximately from \$40,000,000 to \$400,000,000 on a valuation basis.

390,000 People To Read About Us In Greyhound Item

The reading and traveling public is going to know about Palm Springs in a big way.

The December issue of the Highway Traveler, a Greyhound company publication, will have a cover picture and a complete story of Palm Springs.

Circulation of the magazine is listed as 390,000.

"Not now. Not while the going is toughest. Not while that extra winning punch is needed most. Not on my life..."

The 6th War Loan is now on! Let's not let any of our fighting pals down. The Japs are far from being pushovers—there are 73 million of them, stubborn, cruel, fanatically determined to stop us. To save American lives, to save time, we must overwhelm them with supremacy of materiel. Our fighting men will need more and bigger planes, more ships, landing craft and supplies, more of everything than in the invasion of Europe. So let's buy that extra \$100 Bond right now to help shorten the war. Let's save other lives by saving our money!

Schultz Returns After Operation At Army Hospital

George Schultz, well known Villager, who was honorably discharged from the army a few months ago because of wounds received in action, and who left two months ago for Philadelphia to undergo an operation in connection with his wounds, returned to the Village Tuesday.

A corporal while in the army, Mr. Schultz has been ill since last June. He left for the eastern hospital in September for the operation and was pronounced able to return home, last week.

He may have to go back to the Pennsylvania hospital in May.

Ray M. Sorum, city manager, was in Riverside yesterday to attend a meeting of the county Chamber of Commerce directors.

Authorities of the automotive industry estimate four months will be required for reconversion to peacetime car manufacturing.

TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs (Pfc. Ted W. Engstrom)

HIGH-RANKING OFFICERS VISIT TGH

Torney General Hospital was host to a group of distinguished high-ranking officers last Monday and Tuesday. Representatives of the Surgeon General's office in Washington and the Ninth Service Command at Ft. Douglas, Utah, arrived here by plane from San Diego and inspected this installation, with its various departments and activities. A special dinner was held in their honor on Monday evening.

Among those present was Col. Florence A. Blanchfield, Superintendent of the Army Nurse Corps. Others from the Surgeon General's Office included: Col. A. H. Schwichtenberg, Hospital Administration; Lt. Col. John R. Thompson, Hospitalization; Maj. James F. Souden, Construction; Col. Norman Q. Brill, N.P.; Lt. Col. Michael E. DeBakey, Surgical; Lt. Col. Oscar B. Griggs, Supply; Maj. Harry B. Gwynn, Reconditioning; Lt. Col. Harrison J. Shull, Medical; Lt. Col. G. R. Gessner, Personnel; and Dr. Eli Ginsberg, Personnel.

Representatives of the Ninth Service Command included: Col. L. R. Moore, Surgeon; Col. John B. Flick, Surgical; Col. Verne R. Mason, Medical; Lt. Col. A. T. Skoog, ANC; Lt. Col. J. J. Lautzenheiser, Orthopedic; Capt. K. L. Williams, Jr., Supply; Lt. Col. Lauren M. Smith, N. P.; and Lt. Col. W. H. Everts, N. P.

FLAG FLIES AGAIN

Wednesday morning, November 8th, the Minute Man Flag was once again flying over Torney below the Stars and Stripes. It was a proud day for civilian employees, and to our Corps of Minute Men goes the credit for a job well done. Each civilian employee was contacted by one of the Minute Men in the interest of War Bond sales. Mr. Adams and his Post Engineers Minute Men led the group and were instrumental in lining up the Post Engineers 100 percent. Civilians have a record to be proud of and plan to bend every effort to keep the Minute Man flying.

Congratulations to all the Torney Minute Men for a great job—expertly done.

TO GIVE CONCERT

Patients and personnel of TGH will be treated to the finest band and swing styled music when the 21st Ferrying Group Band gives a concert at the Post Theatre on Friday night at 1930. The band has often been heard at Torney while participating in Retreat ceremonies, and at previous concerts. All convalescent patients and duty personnel are invited to be present.

TGH TO BE HOST

Torney General Hospital is to play host to a Medical and Surgical Conference to be held here next month, December 6 and 7. A similar conference, named a big success by those in attendance was held at this installation last February.

Many distinguished visitors from army and navy hospitals in this area are expected to be present for the sessions.

RECORD PLAYER DONATED

Torney is one of several Army General Hospitals to receive a Magnavox radio record player, gift of the Royal Order of Moose, Fraternity for the benefit and enjoyment of patients at various

General Hospitals throughout the country. Information as to when this set will be officially presented here has not as yet been learned.

"RUSSIAN REVELS"

A different kind of revue featuring the spirited and gay song and dance of Russia will be on hand next Thursday, November 16, at 1230 to entertain the patients and personnel of Torney General Hospital. Ten experienced performers including singers, dancers and musicians make up this show that highlights Russian culture.

The cast includes Sergei Tavasieff, Jaroslav Lobanosky, Nita Bobrova, Eugene Sabline and Jan Melnikova, accordionist Jean Verdugo and pianist Tattiana Ouroumoff.

Sergei Tavasieff, the well-known premier dancer of the General Platoon Don Cossack Chorus, began his training when only six years old in Russia and later at 16 he became one of the featured dancers of the Soviet Professional Opera Company of Leningrad.

Jaroslav Lobanosky, dancer, was born in Russia and graduated from a military academy where he studied both dancing and painting; Russian born Nicholas Molotoff, singer, has been concertizing ever since 1919 when he sang in Harbin, China. He has also appeared in innumerable concerts, sang with the Metropolitan Opera in 1933 in Seattle and was featured over coast-to-coast network programs.

Nita Bobrova is sweet 17, pretty and talented. Born in Los Angeles, Nita was just graduated from high school. During her senior year, however, she began working professionally in Ken Murray's "Blackouts" revue. But since GI entertaining is on her preferred list, she's giving up her featured spot there for USO CAMP SHOWS Trouping.

Other members of the cast are widely known in their fields and promise an outstanding show for all who can attend the program in the Red Cross Auditorium next Thursday.

SIXTH WAR LOAN DRIVE

Capt. John D. Blauvelt, Torney's War Bond Officer, has announced that the 6th War Loan Drive is soon to swing into full stride at this installation. Civilian minute men have been appointed from the various departments and enlisted minute men have been named in each barracks to aid in the sale of war bonds. Officers may purchase their bonds from the War Bond Officer or members of the Finance Office.

The Sixth War Loan drive officially opens on Nov. 20, but the War Department drive is conducted during all of November and December.

Buy your share in Victory by purchasing a War Bond now.

SIX NEW NURSES

Six additions have been recently made to Torney's roster of nurses, three of whom have seen foreign service.

1st Lt. Catherine G. Boles arrived here from the ASF Regional Hospital in Pasadena and has spent 10 months in Natal and Recife, Brazil. 2nd Lts. Kathleen Riordan and Norma M. Krueger reported for duty here from the AG and SF Redistribution Station at Santa Barbara and Ft. Ord respectively. Lt. Riordan spent 20 months in England and Lieutenant Krueger has had 2 years of foreign duty in England and Africa.

The other three nurses, all 2nd Lieutenants, are Frances Helene Schlicher, Rachel M. E. Korstad and Martha M. Heinke.

More than 10 per cent of the coal used in American homes is wasted, it is estimated, largely because of dirty and faulty furnaces.

In India and Persia, the cheeta has been used for centuries in hunting antelopes and other game.

Colonel Raeburn J. Wharton, Medical Corps, recently assigned to Torney General Hospital as Director of Professional Services.

Col. R. J. Wharton Arrives At Torney To Assume Duties

Assigned by the Ninth Service Command, Colonel Raeburn J. Wharton, MC, arrived last week at Torney General Hospital to serve as Director of the Professional Services. He will supervise and coordinate all professional branches of the hospital in the care and treatment of patients and outpatients.

Commissioned in the Army during World War I after graduating from the Army Medical School, Col. Wharton served as a flight surgeon at Kelly Field and later at the Base Hospital, Fort Sam Houston. He held a reserve commission until 1941 when he reported for active duty from Johnson City, New York, where he had been a practicing physician since 1921.

OVERSEAS SERVICE

Following a tour of duty at the Station Hospital, Pine Camp, New York, where he served as executive officer and chief of the Medical Service, Col. Wharton went overseas as Surgeon of the 2nd Replacement Depot, reaching North Africa in February, 1943. In this capacity he served for the next 18 months at Casablanca, Naples and Potina south of Anzio, receiving and forwarding all replacements coming into that theater.

Col. Wharton is a graduate of the Albany Medical School and has had graduate work at the New York Post Graduate Medical School, Graduate School of Medicine, Tulane University, Graduate School of Medicine, University of Pennsylvania; and the Medical Center University of California.

CHIEF OF STAFF

Before resuming his Army career, Col. Wharton was Chief of Staff at the C. S. Wilson Memorial Hospital, Johnson City, New York, where he had also served as chief of the Pediatric and Communicable Disease Services.

He is a Fellow of the American College of Physicians and the American Academy of Pediatrics, and holds membership in the American Medical Association, New York State Medical Society, Broome County Medical Society, Brighton Academy of Medicine and the Association of Military Surgeons.

City Council Will Meet Next Tuesday

City council will meet Tuesday of next week instead of the usual Wednesday night session.

Among important items on the agenda is the canvass of votes cast in Tuesday's special Field Club election.

The famous golden spike which joined Union Pacific and Central Pacific Railroads in 1869 at Promontory Point, Utah, bears the inscription: "May God continue the unity of our country as this railroad unites the two great oceans of the world. Presented by David Hewes, San Francisco."

Merchants Sponsor Bond Ads

On one of the pages of this issue of The Desert Sun will be found a full page Sixth War Loan advertisement sponsored by local business men and others.

These merchants and others, who are sponsoring individual advertisements, have responded to the appeal of the Treasury Department to help with the drive in this way.

A letter, dated November 7, from S. George Little, special consultant, War Finance Division, to the newspapers of the nation states, in part:

TOUGHEST ONE
"The 6th War Loan will be the toughest one we have faced. We will have to fight a spirit of over-optimism on the part of many who will point to our achievements in Europe and forget the all-out battle we must fight with Japan. The frightful cost of our war in the Pacific must be paid for in War Bond dollars."

"A large volume of locally sponsored newspaper advertising will be absolutely essential to the success of the gigantic 6th War Loan program. We hope you will stress to your advertisers that any additional space devoted to War Bond promotion will result in increased War Bond sales to individuals, and increased post-war purchasing power for your community. We have found that since the War Financing program began there has been a close parallel between War Bond sales and the amount of sponsored newspaper War Bond advertising."

BEST APPROACH
"Many merchants have found from experience that sponsored newspaper War Bond advertising is their very best public relations approach. In their own best interest, as well as that of our nation, we hope your sponsors will lend their full support to the war financing program during the next few weeks. Of the 14 billion dollar quota for the 6th drive, we face the difficult task of selling 5

billion dollars worth of bonds to individuals.
"Newspaper advertising will be a tremendous help in getting our vital War Bond story across to individuals in all walks of life and in all income groups. We urgently need the advertising support of all business in this momentous undertaking.
"Next to our military operations the War Bond program is the most vital part of our war effort, and your cooperation with the vital 6th War Loan drive will be very greatly appreciated by the Treasury."

Prices For Wood Sales In Village Fixed By OPA Rule

Do you burn wood?

Many requests are reaching the local ration board about the price of fuel wood. W. A. Lippman, chairman of the local board, after conference with Thomas Holland, Price Panel chairman, has the following to say about the wood price situation:

"Fuel wood is under price control wholesale and retail in Palm Springs, and in Southern California areas. Prices are subject in G-29, under Section 1499.18 as amended by general maximum prices regulation.

PRICES REVEALED

"To make it clear, following are maximum prices which may be charged in Palm Springs. Prices are placed on fuel wood by the regulations in length of twenty-four inches and less; prices stated are delivered prices per full cord, four by four feet by eight feet. If delivered in lots of one half cord the dealer may charge fifty cents additional costs. If less than one half cord, the dealer may charge fifty cents per one fourth cord. If dealer is required to stack on buyers premises, additional charges may be added, at one dollar per cord, but such extra charges must be separate, and show on any bill or invoice by the seller to the buyer.

PRICE LIST

Fuel wood Lengths 24" and less	Maximum Retail Price per Cord
Oak	\$28.00
Juniper, Arizona	30.00
Juniper, local	26.00
Eucalyptus	26.00
Orange	24.00
Lemon	24.00
Acacia	24.00
Walnut	22.00
Pine	22.00
Mesquite	24.00
Tamarack	22.00
Ironwood	24.00
Almond	22.00
Mill block, mill ends and scrap lumber	10.00

ASK FOR BILL

Buyers are entitled to receive bill and should ask for same. Anyone selling fuel wood for prices higher than above in Palm Springs area is in violation with OPA and liable to legal action by OPA or by injured buyer, the penalty being twenty-five dollars or three times the overcharge, whichever is the greater.

Hotel Men's Big Convention Here Still Publicized

Echoes of the highly successful convention and business conference of the California Hotel Men's association continue to come in.

A copy of the Record, one of the leading hotel men's magazines, devotes 14 pages, replete with pictures and accounts, of the session held here in October. Local as well as visiting dignitaries are portrayed in the many pictures reproduced.

In the hands of men and women whose business it is to meet and advise tourists, the publicity will be of inestimable value to the Village.

Here's Example of Modern Speed Also Story of Reunion

An instance of modern day speed is told in the story of Mrs. Gerry Wigglesworth, secretary to Walter Kofeldt, executive secretary of the Chamber of Commerce.

A week ago her husband, Lt. R. A. Wigglesworth, was in Europe after campaigning on most of the

fighting fronts from Africa north. He flew back to the United States and on landing Sunday, called up his wife here. She immediately made reservations through Bud Wilson of the American Air Lines and on Wednesday joined him in New York, their first reunion in two years and less than a week from the time he left France.

Army officers commanded the first United States naval fleet.

Thanksgiving Over There...and Over Here

U. S. Marine Corps Photo (with inset)

OUR PART HAS BEEN EASY...

Let's PROVE Our Thanksgiving!

You've had bigger profits—NOW BUY BIGGER BONDS

This is a BIG year—Now Buy BIGGER Bonds!

Here are 6 big reasons for buying the most you can—\$100, \$500, \$1,000—in the big 6th War Loan. War Bonds give you:

1. The best and safest investment in the world.
2. At maturity, \$4.00 for every \$3.00 you loan.
3. The convenience of cash—plus increase in value!
4. Funds to replace and restore worn-out farm equipment, soil fertility, and buildings.
5. Funds for educating your children; a nest-egg for your own security, travel, retirement.
6. The increased purchasing power vitally needed to win the Peace.

THEY still die—will YOU buy?

The folks at home have much to be thankful for this year. Before you sit down to that big turkey dinner, ask yourself if you've done the best you could. Loaning money is the easiest part of the war effort—but it is as essential as fighting. We don't need to ask if they're fighting enough. Are you loaning enough?

It's been a mighty good year for most of us. So far it's been an easy war in general for us in the United States: But it isn't over yet. Not by a long shot. The biggest part of the job is still ahead. The war against Japan will probably be history's costliest. One average Navy task force costs 2 billion dollars—and we need many of them. Even one torpedo costs \$12,000! And one super-fortress to bomb Tokyo, \$600,000.

Your dollars are urgently needed—now more than ever—to speed victory and insure America's future. Prove your Thanksgiving. Buy the biggest War Bonds you can—NOW!

BUY BIGGER BONDS NOW!

Interesting Talk On World Dialects Enjoyed By Lions

Lal Chand Mehra, native of India but a student of the world, provided Lions with 30 minutes of entertainment and also with an understanding of other peoples with his talk on "The Parade of Nations."

Mr. Mehra, past master in world's dialects, explained why people of various nationalities speak English the way they do. He showed how the temperament, environment and native habits produced the different dialects.

Also on the program was a greeting from Jess F. Zweiner of San Diego, district governor of the Lions clubs in this section. Mr. Zweiner talked on Lionism, explaining its ideals and goals.

Dr. E. E. Oertel was program chairman for the day and President Charles J. Burket presided. There were 19 visitors from other clubs present.

Culver Nichols, well known local realtor, was in Los Angeles and Riverside yesterday on business.

Martha Washington kept 16 spinning wheels busy at Mount Vernon, and she made George's inauguration suit herself.

East And West to Meet Says Speaker At Forum Lecture

The Meeting of the East and the West was the subject for a Forum address delivered by Lal Chand Mehra, well known Hindu lecturer and character actor for radio and motion pictures, before the Palm Springs forum last evening at the Frances S. Stevens school.

Mr. Mehra discussed the relationship between the nations of the East (India, China and Japan) and the nations of the West (Great Britain and America in particular), the past background of this vitally important question and its future possibilities. He declared that the nations of the East and the West can and should meet on an equal and harmonious basis, that being the only surety of future peace in the world.

Lal Chand Mehra appeared also before the Palm Springs Lions club at their noon meeting and the Palm Springs high school student assembly in his new program "The Parade of Nations." This program brought an understanding of the different nations of the world through illustrations of their speech patterns. These programs were illustrated with dialects of the various nations, performed by Mr. Mehra. They closed with a recitation of Lincoln's Gettysburg address.

Lal Chand Mehra has been widely heard throughout California by Forum, school and club audiences. His most recent motion picture appearances have been in White Cliffs of Dover, Casablanca, The Mask of Dimitrios and Out of This World (still unreleased). Four From Village Attend Red Cross Chapter Gathering

Mrs. Frank W. Cutler, Mrs. Guy Pinney, Mrs. Donald Lockett and Mrs. Kay Ostrander represented Palm Springs Monday at the regular monthly meeting of the Riverside County Red Cross chapter. All are active and prominent workers in the Palm Springs Branch of the county chapter.

Mrs. Edith D'Eliscu, county chairman, Miss Marston and Miss Pangle, from the county office, reported on a Pacific area meeting at San Francisco.

On display for inspection of those attending were a Red Cross Christmas package, a blood plasma kit and a capture parcel. The Christmas package is a special package which will be sent to all prisoners of war in addition to the regular weekly package. It contains among other things, turkey, plum pudding, chewing gum and cigarettes.

The capture package contains, among other things, two suits of

SERVICE BAR—To Corporal Franceslynn Mahar goes the distinction of being the first WAC on the Palm Springs Army Air field to wear the gold overseas service bar, authorized by the War Department for her six months service in England, where she was supply sergeant for a WAC Detachment. Corporal Mahar returned to the United States last January. She is a Kansas City, Mo., resident and is at present assigned to duty with the Officers' Personnel Section here. (Base Photo)

Veteran of Many Flights Over Hump L. A. Club Speaker

Captain George Varga, of South Bend, Ind., now stationed with the 21st Ferrying Group of the Ferrying Division, Air Transport Command, at the Palm Springs Army Air Field, was guest speaker Wednesday at the Authors Club luncheon in Hollywood.

Captain Varga attended Los Angeles City College before joining the Royal Canadian Air Force in 1940. He later served with the U. S. Army Air Forces as a bombardment pilot in the China-Burma-India Theater. Transferring to the Air Transport Command, he chalked up 101 flights carrying cargo over the treacherous "Hump" in Burma before returning to this country and to his assignment as a ferrying pilot here.

heavy underwear, two bath towels, tobacco, wash cloths, razor and razor blades. The package is about 14x18x6 inches and is packed very compactly. It is given to men when they first become prisoners of war.

Tomorrow, Mrs. Cutler, Mrs. Ostrander, Mrs. Philip L. Boyd, Mrs. Clyde White, Mrs. William Dean, Mrs. Raymond V. Knowles, Mrs. Marjorie Walker and Mrs. Harold Murphy will represent the Palm Springs branch of the county Red Cross chapter at a bi-county meeting which will be attended by Red Cross members from both Riverside and San Bernardino counties.

Pie Pan Tea Room To Open Tomorrow In El Dorado Hotel

Harry and Vivian McMaster, recently of Hollywood, have purchased a home here and are now Villagers at 590 North Cahuilla along with their two sons, George, age 2, and Robert, 4.

They will open their new business establishment, The Pie Pan Tea Room, in the El Dorado hotel, 270 South Palm Canyon drive, tomorrow.

Mrs. McMaster is a dietician and the Pie Pan Tea room will specialize in balanced menus with sanitation and cleanliness the first order.

"We plan to have something new and something different at the Pie Pan," she said.

Miss Lee Davis New Theatre Manager

Miss Lee Davis, formerly with the West Coast theaters in Los Angeles, is the new manager of the Plaza and Palm Springs theaters, succeeding George Strebe who recently purchased the Zanzibar cafe.

Miss Davis, experienced in the theater business, will look after the interests of owner Earl Strebe at both theaters.

Author Is Guest In Palm Springs

Mr. and Mrs. Everett H. (Jack) Holt, well known to Villagers, are here for the season, ensconced at the Village Inn.

Mr. Holt, who is known as the desert poet laureate, is the author of several novels, written while vacationing here.

Bridgehaven Cafe And Service Station Change Ownership

The Bridgehaven Service station and Cafe at Whitewater has been sold by A. F. Gueth of Banning to Roy Sheppard and J. E. Bullitt of Long Beach.

For the past seven years the property has been operated by Leo Boberick who has had it under lease. Mr. Sheppard and Mr. Bullitt plan to operate the property jointly.

The sellers and purchasers were represented in the transaction by W. F. Roberge, Banning realtor.

A survey among some 10,000 American farmers who will have electricity soon after the war shows that after lights, refrigerators are in the greatest demand and vacuum cleaners next.

THOUSANDS OF AMERICANS ARE STILL IN JAP PRISONS

What Will **YOU** Do About it?

REMEMBER CORREGIDOR? Remember the pictures of grinning Japanese soldiers guarding American prisoners? We're out to wipe the grins off their faces. We're out to liberate thousands of American soldiers and civilians still in Jap prisons. That day can come only with final victory.

We're out to finish the job the Japs started. The 6th War Loan Drive is part

of the great national effort to win quick victory in the Pacific. The cost of victory comes high. It costs billions of dollars a month to fight Japan! But we know you'll do your full share, as you have in all the other war loan drives. Your full share is at least one extra \$100 War Bond. Buy more if you possibly can. War Bonds are your best insurance of a safe, independent future.
